

Marketing Accelerator is a fixed-scope rollout of marketing automation for your Dynamics 365 environment, powered by ClickDimensions. We connect and configure the tools, build your first campaign, and train your team, so you start marketing from inside your CRM right away.

WHAT YOU GET

- ✓ ClickDimensions configured and connected to your Dynamics 365
- ✓ Branded email templates and your first campaign
- ✓ Landing pages and forms that capture leads into your CRM
- ✓ Web tracking so you see what prospects do on your site
- ✓ Automated nurture workflows that keep leads warm
- ✓ A live training session plus access to our on-demand video library

HOW IT WORKS

- | | |
|-----------------|--|
| Day 1 | Kickoff. We connect ClickDimensions to your Dynamics 365 and align on goals. |
| Days 2-4 | Configure email, forms, landing pages, and web tracking. |
| Days 5-6 | Build your first campaign and train your team in a live session. |
| Day 7 | Go live, running campaigns inside your Dynamics 365 environment. |

PREREQUISITES

- ✓ An active Dynamics 365 environment
- ✓ A ClickDimensions subscription (we can help you set one up)

Pricing: \$5,500

Fixed scope · Optional monthly support plan available
