

Intranet Mentor

The Intranet Mentor engagement is designed to support organisations looking to optimise their intranet solution and enhance their internal communication on an ongoing basis. It is also designed for organisations who don't have a dedicated intranet manager/specialist and require ongoing guidance.

The Intranet Mentor engagement involves an experienced digital workplace consultant undertaking regular analysis of your intranet content to provide you with practical and strategic guidance to support. Additionally, your dedicated intranet expert will provide you with guidance on analytics, helping you to make data-driven decisions and improve your internal communication strategies.

Expected outcomes

- ✓ Intranet report and roadmap development
- ✓ News and content lifecycle reviews
- ✓ Regular 'power hour' sessions
- ✓ 'Intranet Think tank' membership
- ✓ Ongoing regular access to digital workplace experts to support your intranet goals

Review your existing intranet

Including a technical deep-dive, and data immersion, your dedicated intranet mentor will work with you to understand your current state, and vision for the future state. We'll use this to prepare your intranet report and roadmap.

Regular access to intranet specialists

Establishing a series of workshops with your mentor to support your team to undertake activities to keep up with the roadmap implementation and changing requirements from across your business.

Ongoing value add

We'll conduct regular 'power hour' or 'ask-me-anything' sessions to provide ongoing support to you and your content authors. You'll be invited to participate in our project review services and receive 'Intranet Think Tank' membership.
