What's it about?

In today's rapidly evolving environment it is essential that organisations support employees and managers to continually learn and evolve their skillset to match the changing landscape. Empowering people to thrive in a more flexible work world requires rethinking everything – from how you empower managers, to how you create culture, to how you reimagine the employee experience.

This is where Microsoft Viva Learning comes in. Viva Learning supports integrated learning pathways, easy content share and completion tracking and integration to other learning management systems for a one stop shop for all learning experiences.

Explore Microsoft Viva Learning capabilities with a multi-day knowledge hands-on workshop.

Assess

Gather information on key business scenarios, define scope and business stakeholders and introduce Microsoft Viva Learning.

Optional addition: analysis and advice on your organisation change management maturity.

Art of the Possible

Explore Viva Learning and the benefits of an integrated employee learning experience for both managers and employees.

Immersive experience across Viva Learning, including learning pathways portal and LinkedIn Learn.

Build your plan

Planning is essential to rolling out new learning capability.

This session builds upon your newfound knowledge and helps to prioritise the key scenarios and build out next steps into a high-level implementation plan.

"Working with Engage Squared as our partner, we've really felt like they're our trusted advisors – and I don't think we would have got to that level of adoption, and training, and support without Engage Squared being there on that journey with us. Especially during Covid-19"

Dee Eldridge, Digital Workplace Manager, Bupa
