The screenshot displays the eZuite 'Expert Reports' interface. On the left is a dark sidebar menu with icons and labels for various business areas: Dashboard, Employees, Suppliers, Customers, Items, Stock, Manufacture, Purchase, Contract, Sales, Approvals, Job, Expenses, Finance, Appointments, Action, Reports, and Expert Reports. The main content area has a dark header with the eZuite logo, a search bar, and a notification bell. Below the header, there's a search input field containing 'sales'. To the right of the search field are three buttons: 'Download Detailed Reports', 'Download Report', and 'View Report'. The interface is divided into several sections: 'Report Name' with a list of reports including 'Sales Summary' (highlighted in blue); 'Group By' with a list of options like 'Customer', 'Customer Group', and 'Location'; 'Filter By' with a list of checkboxes for various filters such as 'Approve Status', 'Brand', 'Customer', and 'Date'; 'Order By' with a list of options like 'Balance', 'Customer Name', and 'Discount'; and finally, two checkboxes on the far right: 'Summary Only' and 'Save User History'.
