# Applications Development & Integration
## Custom software, data, analytics, managed services

## We are a certified **Microsoft Gold Partner** for Application Integration

We are a custom software development company that focuses on designing hybrid enterprise application integration (EAI) solutions for our customers by connecting on premise and Cloud software as a service (Saas) applications, using the Microsoft integration platform. We are certified Microsoft PowerApps partner having our showcase listed on Microsoft's PowerApps showcase website. We have used Azure Logic Apps, Functions, API Management, Service Bus, BizTalk Server, Application Insights, Power BI, PowerApps, Machine Learning, Event Hubs and Stream Analytics to design a variety of applications for our customers including EDI, IoT, Enterprise Service Bus, and Business Intelligence dashboards.

## Our Offerings

**Digital Transformation** using Microsoft PowerApps and Flow

**Custom Software Development** Services

**Enkay PRO,** a BizTalk Performance and Monitoring application

Enkay **Cloud software development** for Connecting SaaS applications

**Analytics** using Application Insights and Power BI dashboards

**Enkay Managed Services (EMS)**

## Why Enkay?

Our team members are Microsoft Certified Technology Specialists in BizTalk Server and Azure development.

Using Microsoft .NET for custom development, Azure App Services, BizTalk Server, Host Integration Server, SQL Server, SharePoint and other Microsoft platform technologies, we have developed mission critical enterprise solutions for our customers to connect with their ERP, CRM, SAP, EDI, Portals, Business Intelligence systems and more.

Our EMS services will allow you to meet your operational SLAs while allowing you to focus on your core business

Our Enkay PRO tool helps our customers reduce down time due to performance issues that are typically difficult to detect and analyse.

Our Enkay Azure expertize will allow our customers to outsource their EDI processing to the Cloud, thereby reducing costs and management of day to day EDI processess. Contact us at **info@enkaytech.com** or **800-400-2406**

 *"Enkay's team of developers have a broad background and a variety of experiences. This business knowledge allows them to quickly understand the situation and provide situational insight. I'd look forward to an opportunity to work with them again" Sr. Director, Middleware Systems Health Car*
