

ENVISION®

# Accelerate Legacy App Migrations to Azure with Citrix and Azure Virtual Desktop

## About Envision IT helping to Accelerate Legacy App Migrations to Azure with Citrix and Azure Virtual Desktop:

Envision IT is a top Citrix partner earning global recognition from Citrix with their Innovation and Partner of the Year Awards. Citrix refers to Envision as the “Best of the Best” for Engineering, Project Delivery and Client Satisfaction. Envision also earned Microsoft designations for Modern Work and Infrastructure: Azure.

## Envision Makes. Awesome. Work.

### What we offer

As the workplace continues to evolve, businesses are searching for a comprehensive solution that addresses these challenges head-on. Envision’s “Accelerate Legacy App Migrations to Azure with Citrix and Azure Virtual Desktop” offering combines the best of Citrix and Azure Virtual Desktops to deliver a comprehensive virtualization solution. Here’s why you should consider this offer:

- Seamless Workforce Empowerment
- Superior User Experience
- Enhanced Data Security
- Simplified Authentication
- Unified Management
- High Availability and Scalability
- Cost Optimization

**70%**  
savings over three  
years by leveraging  
Citrix with Azure  
Virtual Desktop

“...because we leveraged Citrix when migrating to Azure, there was zero impact to users.”

~ Kris Arthur, Director, Infrastructure & Security
