

Epiq Separated Employees Defensibility

Mitigate the potential risks associated with departing employees, ensuring a secure and legally compliant transition while safeguarding sensitive data.

With our consulting services, you can confidently navigate employee separations while protecting your data and ensuring compliance. Epiq's diverse skill set across forensics, information governance, and legal services, makes us uniquely qualified to tackle a complex scenario such as departing employees and deliver a comprehensive and trusted solution.

Separating employees pose a security risk, as disgruntled or careless individuals might engage in malicious activities like data theft, leading to financial losses and reputational damage.

1

Develop strategies, aligning with legal guidelines, to prevent data loss during disposals.

2

Use advanced tools like Microsoft Purview to monitor and address risks in employee departures.

3

Investigate suspicious actions, analyze user activities, and address unauthorized data handling.

Epiq solutions

Epiq provides a complete set of Information Governance, Compliance, and eDiscovery service and technology solutions coordinated globally. These solutions can augment your use of Microsoft Purview capabilities with a battle-tested selection of on-demand and managed service options spanning the entire data lifecycle.
