# Polls

- Surveys specific to users, departments or trainings
- Mandatory or optional settings
- Detailed survey result reports

The screenshot displays the VEDUBOX Polls management interface. The top navigation bar includes the VEDUBOX logo, a 'Change Role' button, a '270 POINTS' badge, and user information for 'JPN User'. The left sidebar lists various application features: Home, Profile, Calendar, Courses, Live, Events, Web TV, Exams, Library, Products, Catalog, Blog, Social, Marketplace, Q&A, and Help & Support. The main content area is titled 'Polls' and features a table with the following data:

| Poll Name                           | Type    | Created by     | Available on |   |
|-------------------------------------|---------|----------------|--------------|---|
| Chemistry 101 Course Evaluation     | Course  | Andre Colon    | 22 Oct 2019  | <a href="#">See</a>                         |
| Math 101 Course Evaluation          | Course  | Emma Fuller    | 23 Oct 2019  | <a href="#">Stats</a> <a href="#">Close</a> |
| We are voting our new mascot!       | General | Sally Haynes   |              |   |
| What is your favourite design tool? | General | Viggo Castro   |              |   |
| Psychological Evaluation            | General | Nathan Cullane |              |   |
| Personal Information Form           | System  | Daniel Quinn   |              |   |
| Contact Information                 | System  | Nathan Barrett |              |   |

Below the table, a sample poll question is shown: 'QUESTION 2/5: Which tool is the best for handoff?'. The options are Zeplin (selected), InVision, and Figma. Navigation buttons for 'Previous', 'Next', and 'Skip' are located at the bottom of the poll card. The footer of the interface includes 'Copyright © 2022 Vedubox. All rights reserved.' and 'Powered by Vedubox.'

# Calendar

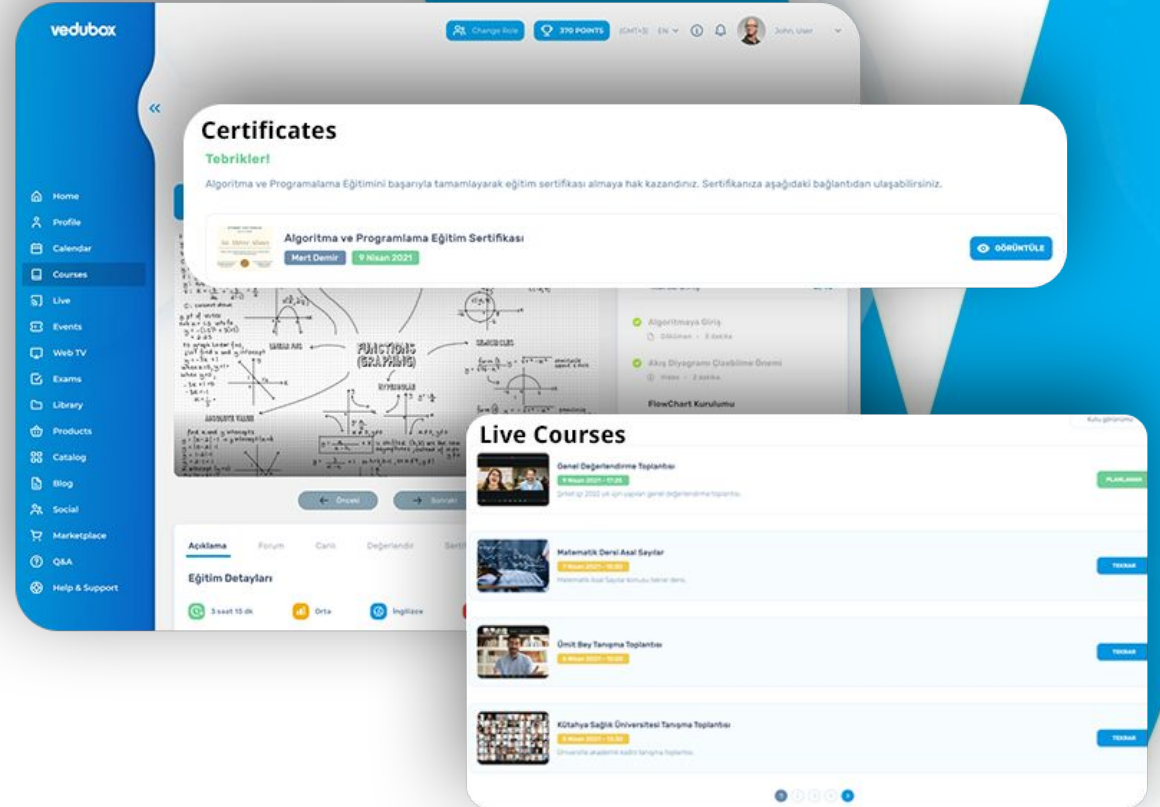

Calendar gives the opportunity to add and view:

- Tests and exams
- Live Trainings
- Events
- To-Do List and Tasks

The screenshot displays the VeduBox 'Schedule' page. On the left is a blue sidebar with navigation options: Home, Profile, Calendar (selected), Courses, Live, Events, Web TV, Exams, Library, Products, Catalog, Blog, Social, Marketplace, Q&A, and Help & Support. The main content area shows a calendar for July 2019. The calendar grid includes days from Monday to Sunday. A modal window titled 'Add event title' is open, allowing users to add an event with fields for date (20 July 2019 - 25 July 2019), title, location, description, and label. A 'Create Event' button is at the bottom of the modal. The calendar also features a 'New Event' button in the bottom right corner. The top right of the page shows user information for 'John, User' and a '378 POINTS' badge.

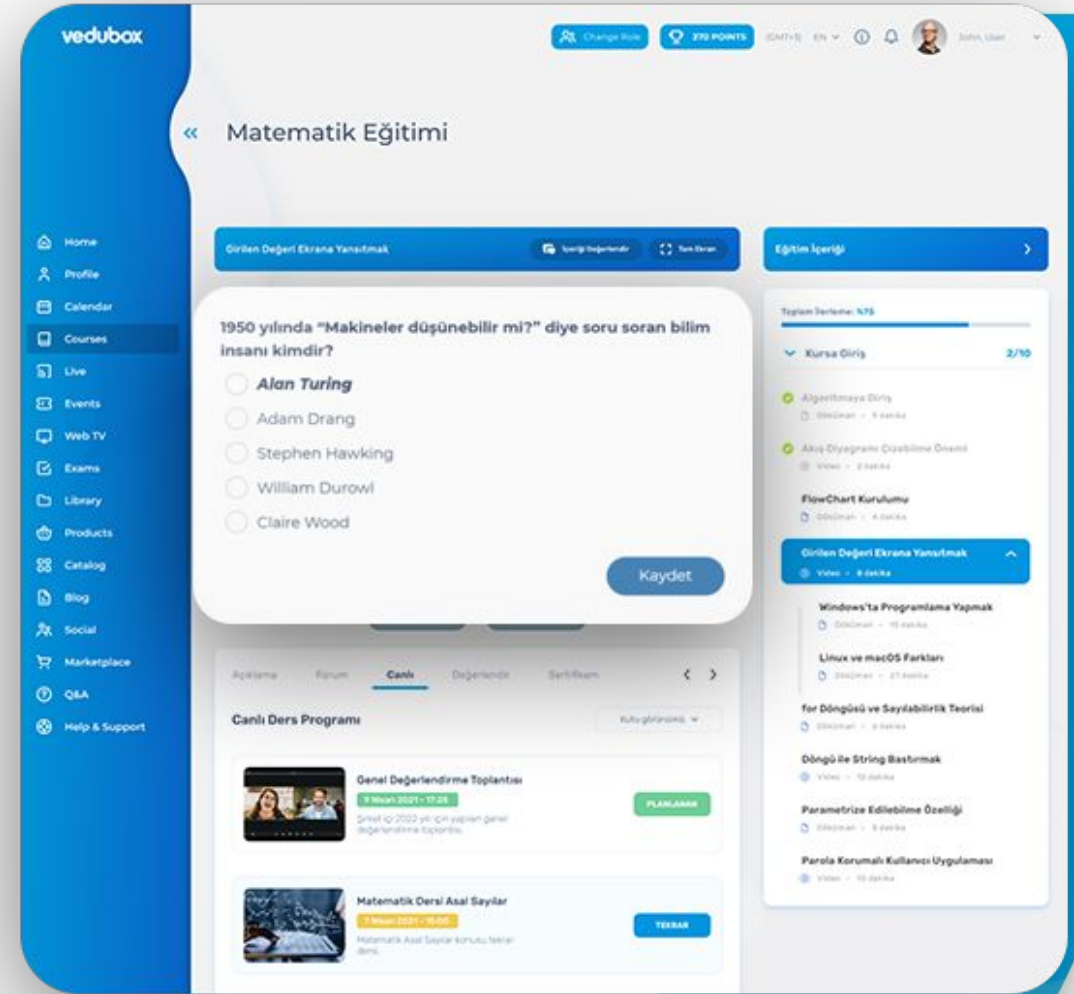

# Courses (LMS)

- Viewing assigned trainings and courses
- Forum, announcements, assignments, certificates
- Various types of documents, video, audio, link, YouTube / Vimeo , embed code, test, SCORM and interactive video
- Questions, tests and quizzes

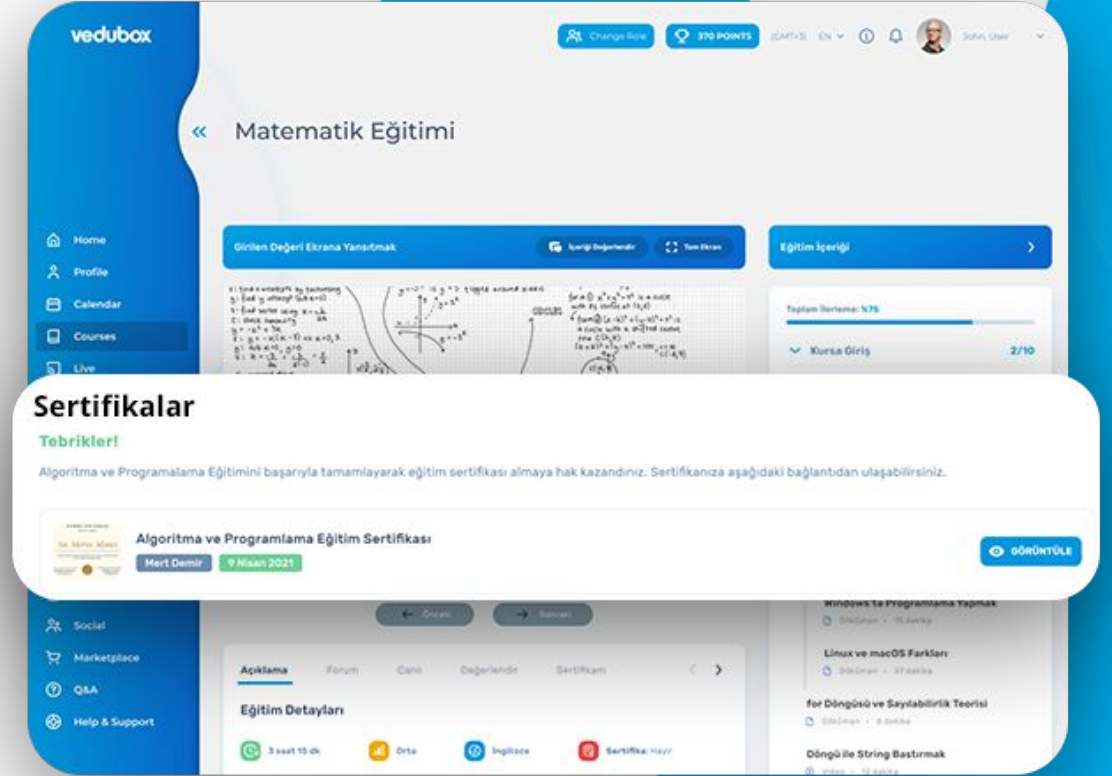

# Interactive Video (LMS)

- Creating from within the system without downloading additional applications
- Adding questions to specific seconds of training content
- Adding a passing grade to questions
- Return to first or previous question on incorrect answers
- Disable the option to fast forward videos

# Certification (LMS)

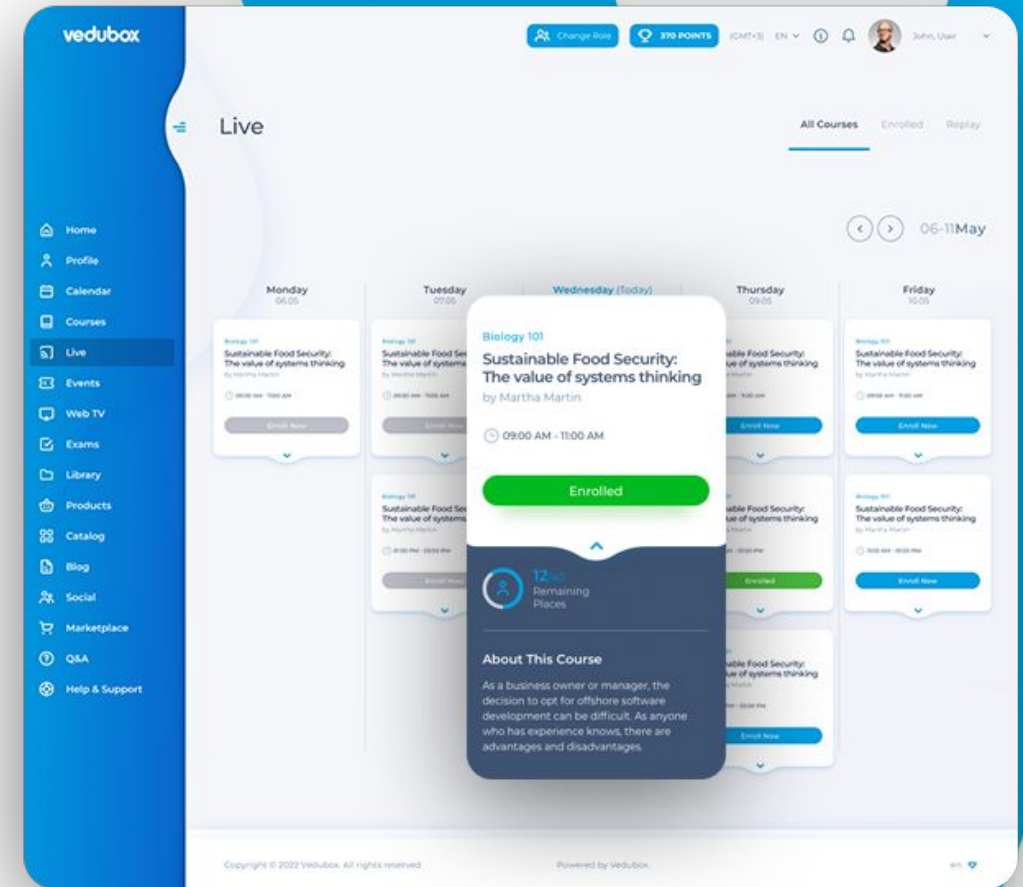

- Certificate of participation or achievement
- Downloading certificates from the system
- Automatic e-mail when certificate is awarded
- Ready-made certificate templates
- Possibility to upload a specially designed certificate to the system

The screenshot shows the Vedubox LMS interface. The top navigation bar includes the Vedubox logo, a 'Change Book' button, a '370 POINTS' badge, and user information for 'John User'. The main content area is titled 'Matematik Eğitimi' and features a sidebar with navigation options: Home, Profile, Calendar, Courses, and Live. The main content area displays a course overview with a 'Görsel Değer Ekrana Yansıtma' button, a 'İçerik Değerlendir' button, and a 'Kursu Giriş' button. Below this, a 'Sertifikalar' (Certificates) section is highlighted, showing a congratulatory message: 'Tebrikler! Algoritma ve Programlama Eğitimi başarıyla tamamlayarak eğitim sertifikası almaya hak kazandınız. Sertifikanıza aşağıdaki bağlantıdan ulaşabilirsiniz.' Below the message is a sample certificate for 'Mert Demir' dated '9 Nisan 2021' with a 'GÖRÜNTÜLE' (View) button. The bottom of the screenshot shows a 'Windows'ta Programlama Yapmak' course page with a 'Lütfen Giriş Yapın' button and a 'Düğü ile String Bastırma' button.

# Live (Live)

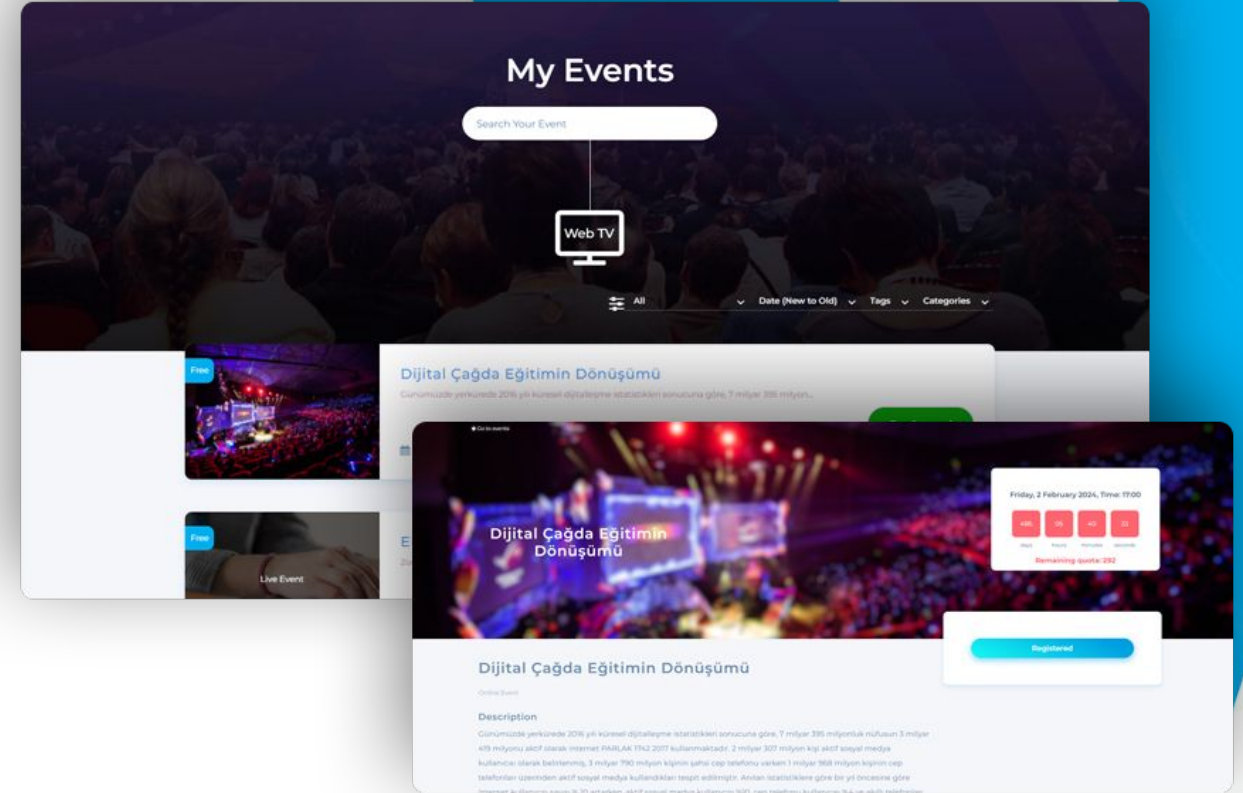

- Integrated system with Zoom, MS Teams, Webex by Cisco and Google Meet
- Online audio and video communication, virtual board, document sharing
- Weekly schedule of live trainings
- One-click access to training on the calendar
- Reports such as attendees, attendance time, attendance

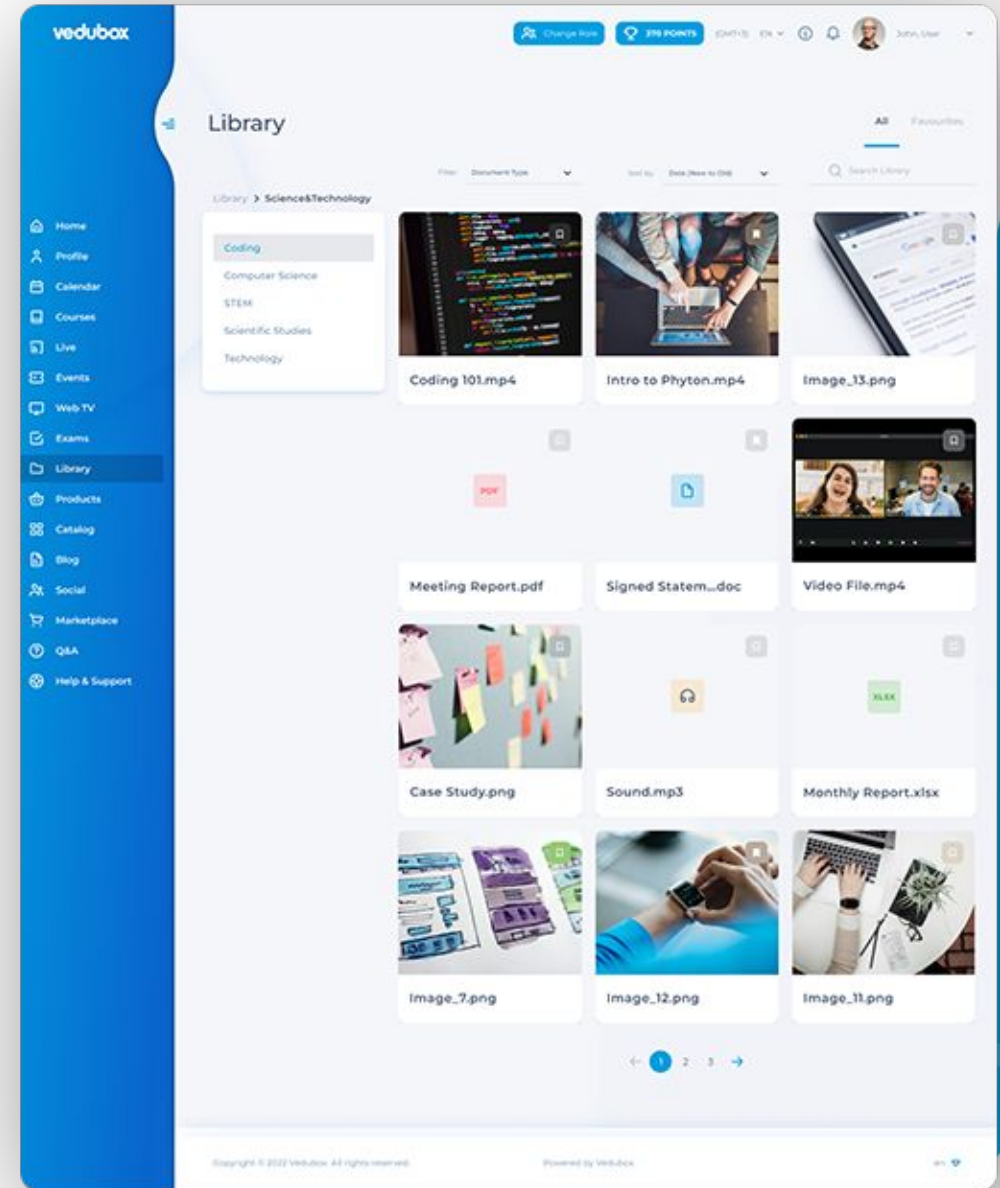

# Events

- Video meeting, webinar, event creation integrated with video conference tools
- Creating events open to everyone or only for registered users
- Adding speakers, explanations, details, promotional videos and questions
- Organize paid events and get paid

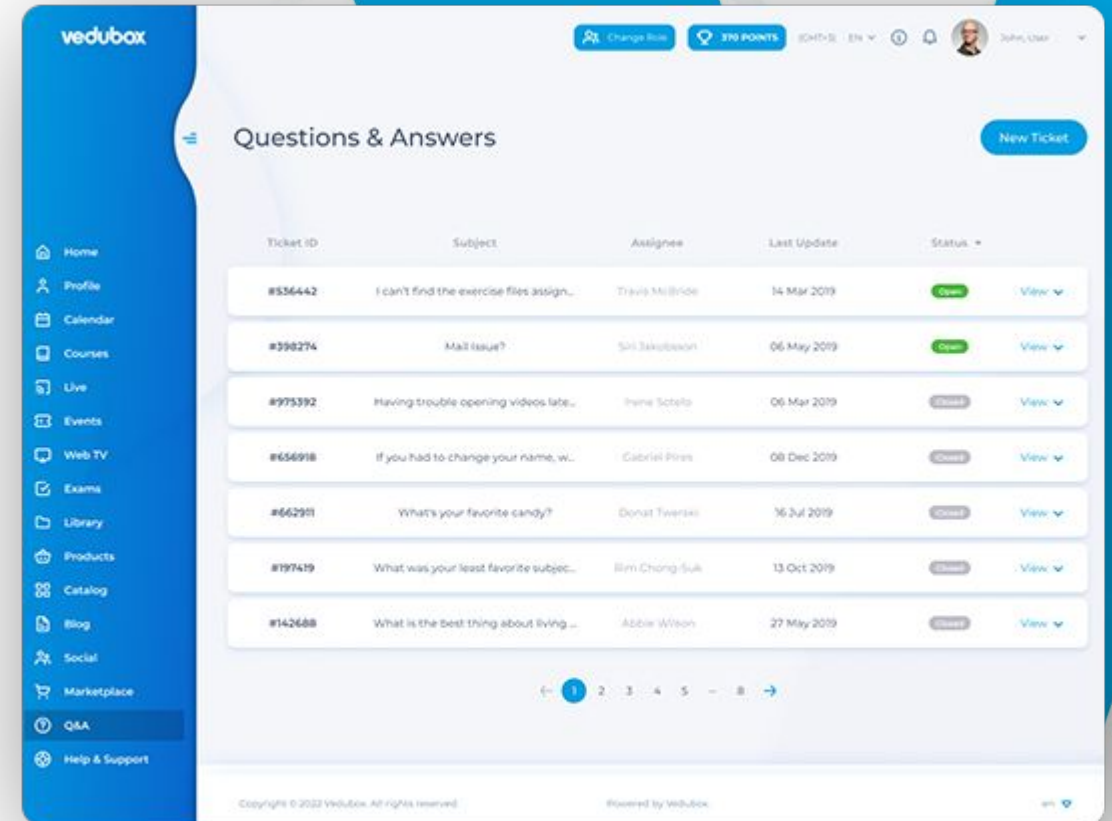

# Library

- Adding content in different formats such as document, pdf, presentation, video, link, Youtube/Vimeo
- Access by all users in the system
- Document download authorization

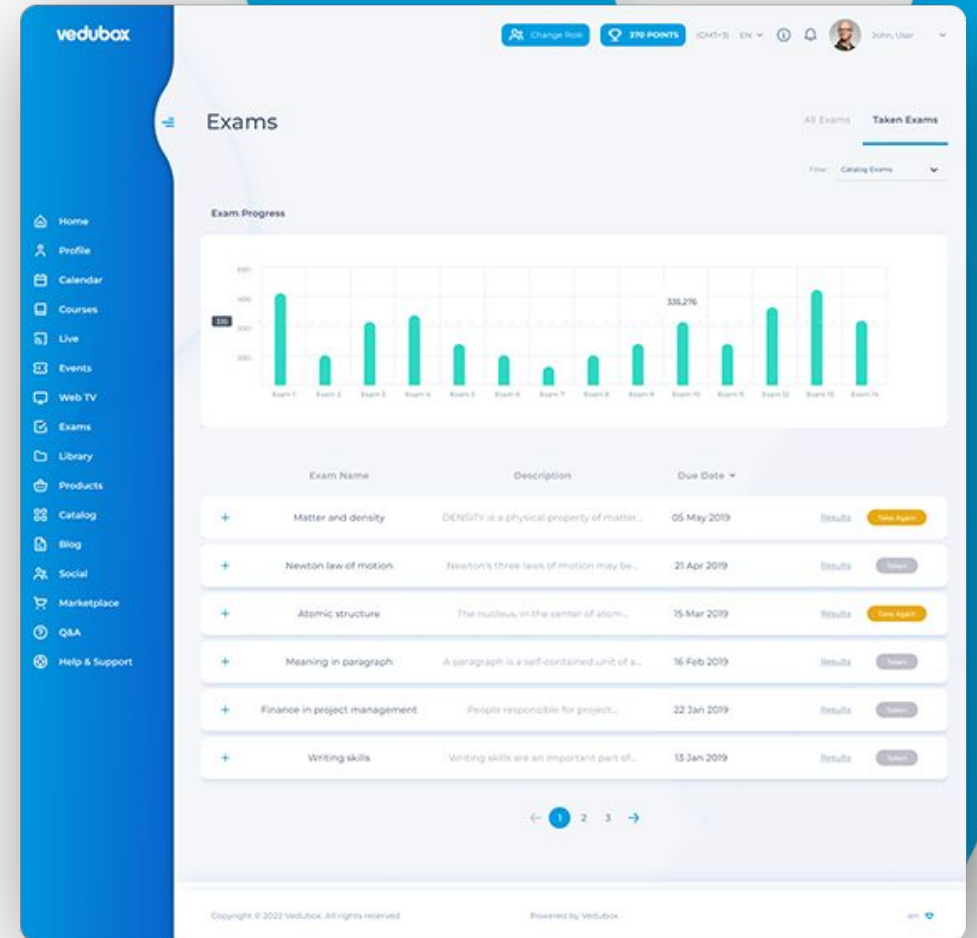

# Question&Answer

- Possibility to ask questions to the instructor for all users
- Informing the instructor by e-mail when there is a question
- Notifying the user by e-mail when the instructor answers the question
- Increasing interaction in the education process

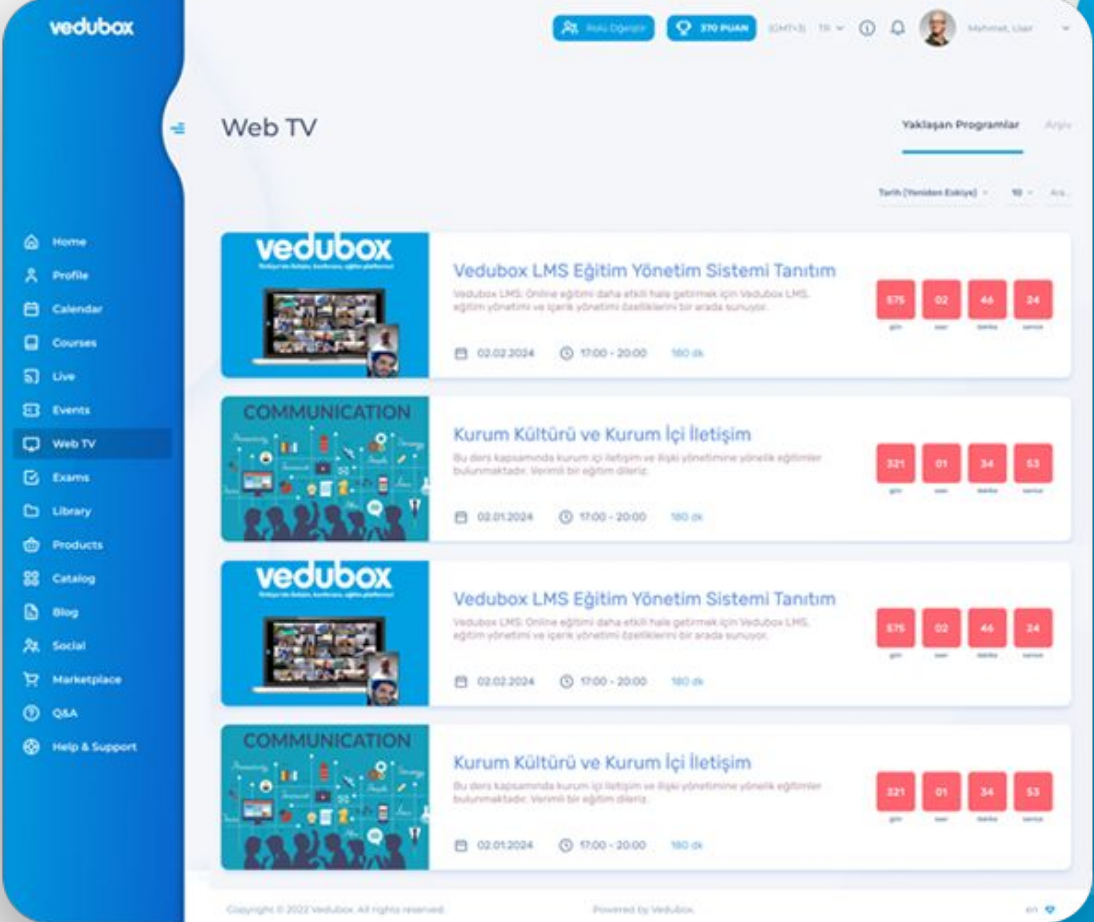

# Exam

- Adding quizzes and tests before, after, or at specific minutes of training
- Adding questions under videos
- Question formats such as multiple choice, fill-in-the-blank, true-false, drag-and-drop, matching or sorting
- Using a ready-made quiz or PDF test document
- Marking with an optical reader
- Creating a special exam for each user with random questions selected from the question pool
- Voice response option
- Answer key and success report on the results page

# WebTV

- Presenting live broadcasts from YouTube, Vimeo or similar platforms to users within Vedubox
- Saving the broadcast as an archive
- Users can watch the broadcast without going to a different platform
- Possibility to watch the recorded broadcast later

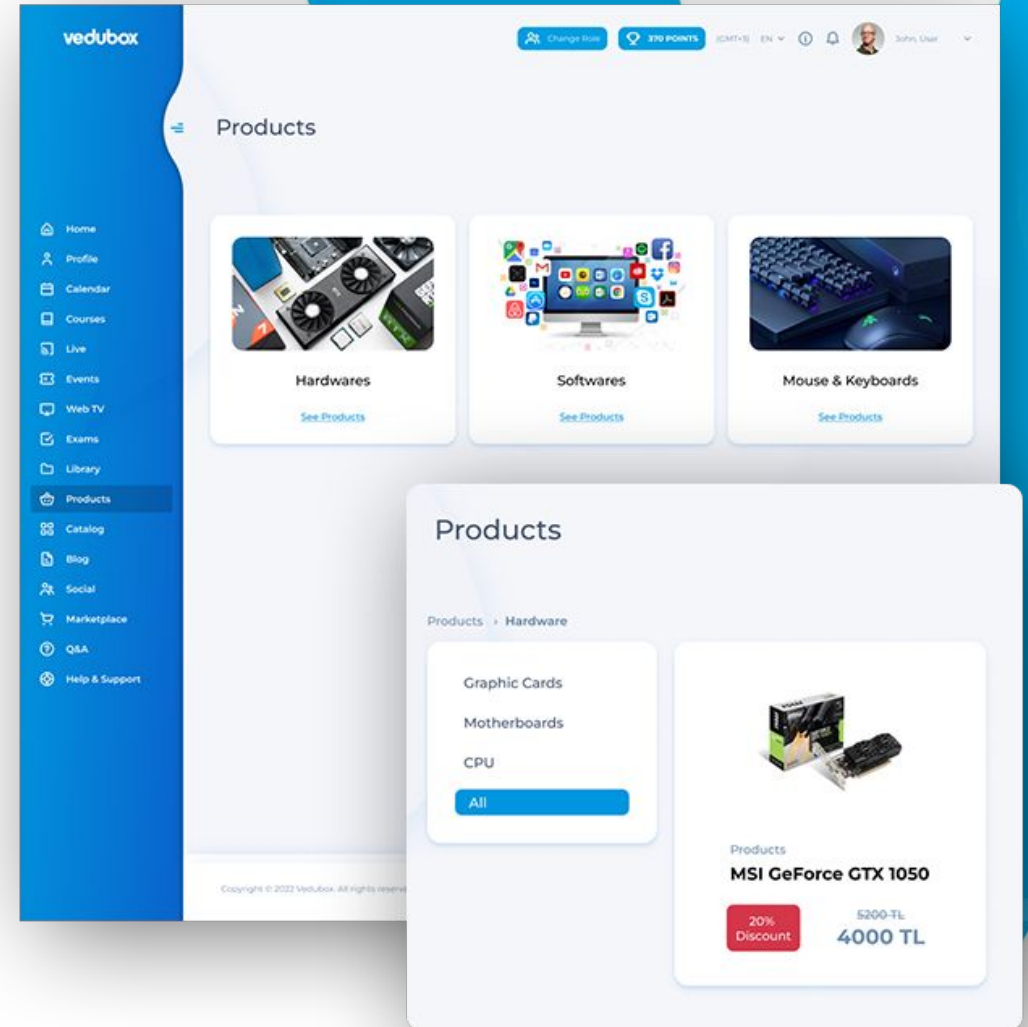

The screenshot displays the Vedubox Web TV interface. The top navigation bar includes the Vedubox logo, user profile information (Mehmet, User), and a 370 PLAN badge. The main content area is titled "Web TV" and features a list of live broadcasts. Each broadcast card includes a thumbnail, title, description, date, time, duration, and a progress indicator. The left sidebar contains a navigation menu with options like Home, Profile, Calendar, Courses, Live, Events, Web TV (selected), Exams, Library, Products, Catalog, Blog, Social, Marketplace, Q&A, and Help & Support. The bottom of the page shows copyright information and the text "Powered by Vedubox".
