Evolve your e-commerce strategy with Evenica and Microsoft Azure

ABOUT EVENICA:

Microsoft Gold partner Evenica is recognized for our long-standing experience in developing and delivering e-commerce solutions. We help brands that envision even the most demanding and sophisticated digital experiences achieve their e-commerce goals.

WHAT WE OFFER

Innovative e-commerce experiences start with Evenica.

Evolve your e-commerce strategy with Evenica through solutions that include implementation, integrations and automation, and digital experiences.

We're a Microsoft Gold partner with a reputation as a Dynamics 365 Commerce expert, and we also boast a growing portfolio of software solutions that integrate seamlessly with the Microsoft technology stack.

With more than two decades of e-commerce experience, Evenica collaborates with innovative brands that require the implementation of cutting-edge digital solutions.

Recognized for our rapid growth

After achieving 420 percent revenue growth, Evenica received the Deloitte Technology Fast 50 program award in 2020 based on our rapid growth, entrepreneurial spirit, and bold innovation.

Why Azure?

Be future-ready

Continuous innovation from Microsoft supports your development today, and your product visions for tomorrow. With 1000+ new capabilities in the past year, you can build on the latest advancements in AI, blockchain, Kubernetes, containers, and databases to keep you ahead of the curve.

Our enterprise grade analytics solution outperforms the competition, costs less, and is fully compatible with your existing development, BI, and data-science tools.

Operate hybrid seamlessly

On-premises, in the cloud, and at the edge—we'll meet you where you are. Integrate and manage your environments with tools and services designed for hybrid cloud.

Enhance security, simplify access, and set smart policies across your different environments with a single-identity platform trusted by 90% of enterprises globally.

Build on your terms

You have choices. With a commitment to open source and support for all languages and frameworks, build and deploy how you want to. Take advantage of the full-featured, integrated development environments with built-in support Visual Studio and Visual Studio Code, the most popular IDEs trusted by 15M+ developers.

We embrace open source, drive innovation through collaboration, and contribute back to the community.

Trust your cloud

Get security from the ground up, backed by a team of experts, and proactive compliance trusted by enterprises, governments, and startups.

With a $1b+ investment in security R&D and 3,500 cyber security experts, security is foundational for Azure.

Microsoft Azure is an ever-expanding set of cloud computing services to help your organization meet its business challenges. With Azure, your business or organization has the freedom to build, manage, and deploy applications on a massive, global network using your preferred tools and frameworks.
