Revolutionize with Simplicity

Pioneering a digital revolution for small merchants, we aim to simplify and digitize operations with our user-friendly, lightweight platform, empowering entrepreneurs for growth in the digital era

Powered by ZEONIQ

Challenges in today POS landscape

" Overwhelmed by POS systems packed with unnecessary complexities "

" Struggling within the constraints of limited stall space "
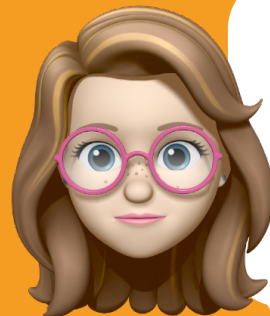

" Trapped by costly monthly fee which does not align with the financial strategies "

Who's this for?

Small and Micro Merchants
Ideal for hawker stalls, food trucks, night market stalls, and similar **small businesses**

Digital Menu Enthusiasts
Perfect for anyone keen on a digital menu but wanting a **hassle-free POS solution**
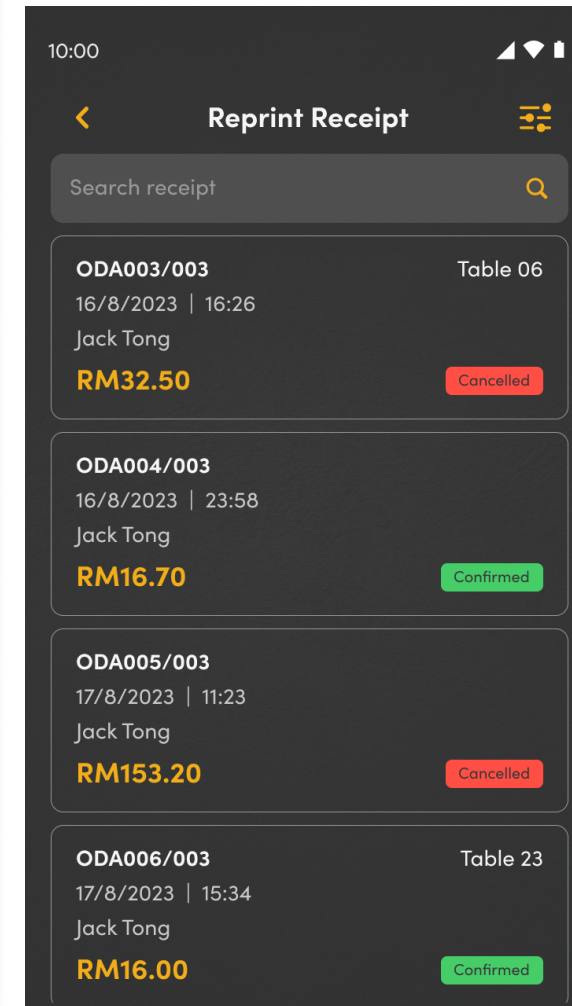

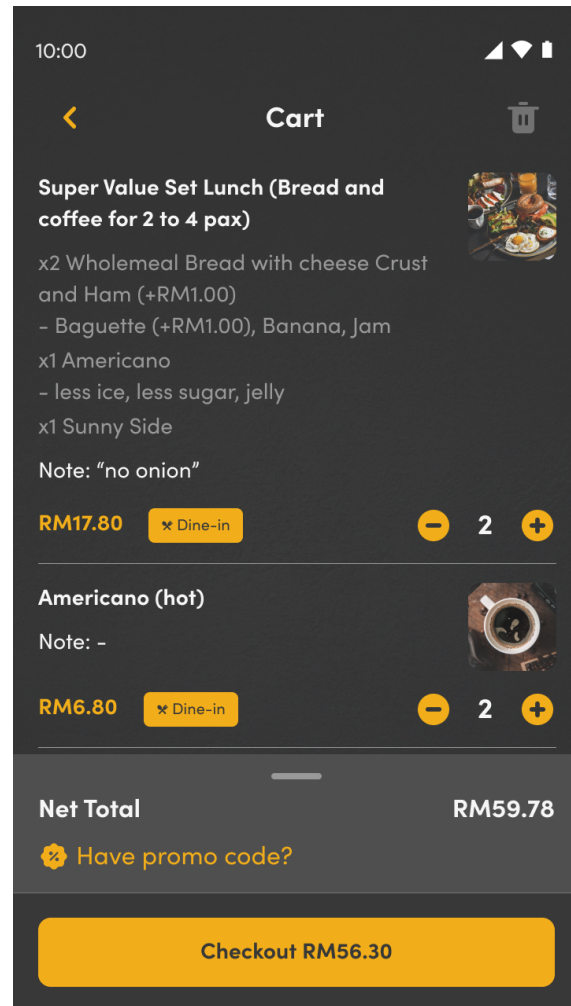

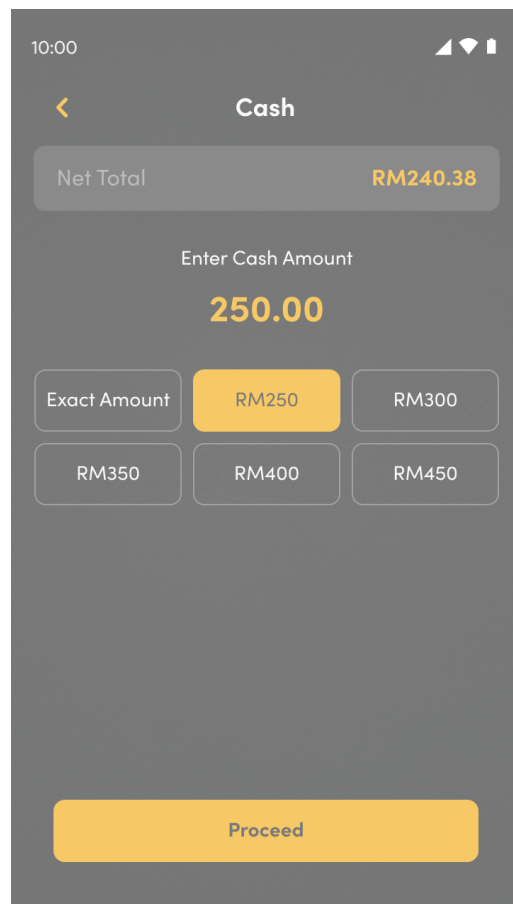

Cost-conscious Merchants
Optimal for businesses seeking a **lower fee structure**, as we charge per transaction

Effortless Operators
Tailored for a smooth transition from manual to an organized, **cloud-based system**
