

A service desk close to you & your company

smarttime

Service desk as a service

SmartTime provides daily user support, being available for technical IT issues from 8 am to 6 pm.

Service desk consultant

With experienced helpdesk staff, SmartTime can be deployed to man a company's service desk at fixed times, both full-time and part-time.

Temporary assistance

For IT projects requiring temporary support, SmartTime employees can help successfully complete these projects.

As part of the evri group, which focuses on hybrid working and providing total secure hybrid workplaces, SmartTime benefits from a wide range of expertise and capabilities in Microsoft 365 and Copilot.
