Key Benefits

- Explore Microsoft Funding options
- Accelerate business impact and security
- Gain visibility into user interactions
- Dynamically protect sensitive information
- Retain/dispose documents for compliance
- Ensure Data Security controls
- Prepare for Copilot deployment
- Address data governance

Why Participate?

3 core reasons to join the M365 Copilot Readiness Program

02

Data Quality

Ensure your data is clean, accurate, and properly governed to maximize the value of AI-driven insights and Copilot capabilities.

01

Regulatory Compliance

Meet industry standards and regulatory requirements with structured governance frameworks that ensure your organization stays compliant.

03

Security

Protect sensitive information and control access across your M365 environment with enterprise-grade security measures and policies.
