

expectus

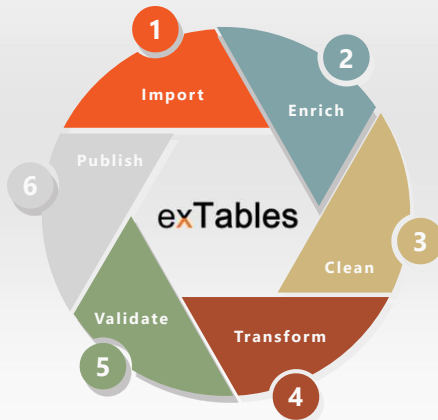

We work closely with our customers to achieve **sustainable** success

A collage of four images: a group of employees standing together, two people working at a computer, two people in conversation, and three people holding an award. The award photo includes text: 'FYRIRTEKI ÁRSINS 2016' and 'Nýtur þú af vinnuleika í starfi?'.

TIMEXTENDER + a b l e a u PARTNER kepion Microsoft Partner Gold Data Analytics

exTables - Data Ready for Analytics!

Import

Import from source systems or user upload.

Enrich

Delegate data enrichment to business users.

Clean

Format cleaned and dimensions mapped to formal structure. Errors detected.

Transform

Align data with data warehouse requirements for reporting

Validate

Submit data to controller for approval or rejection

Publish

Data published and ready for analytics.

exTables

SIMPLE

Data Model can easily designed and rapidly deployed.

SECURE

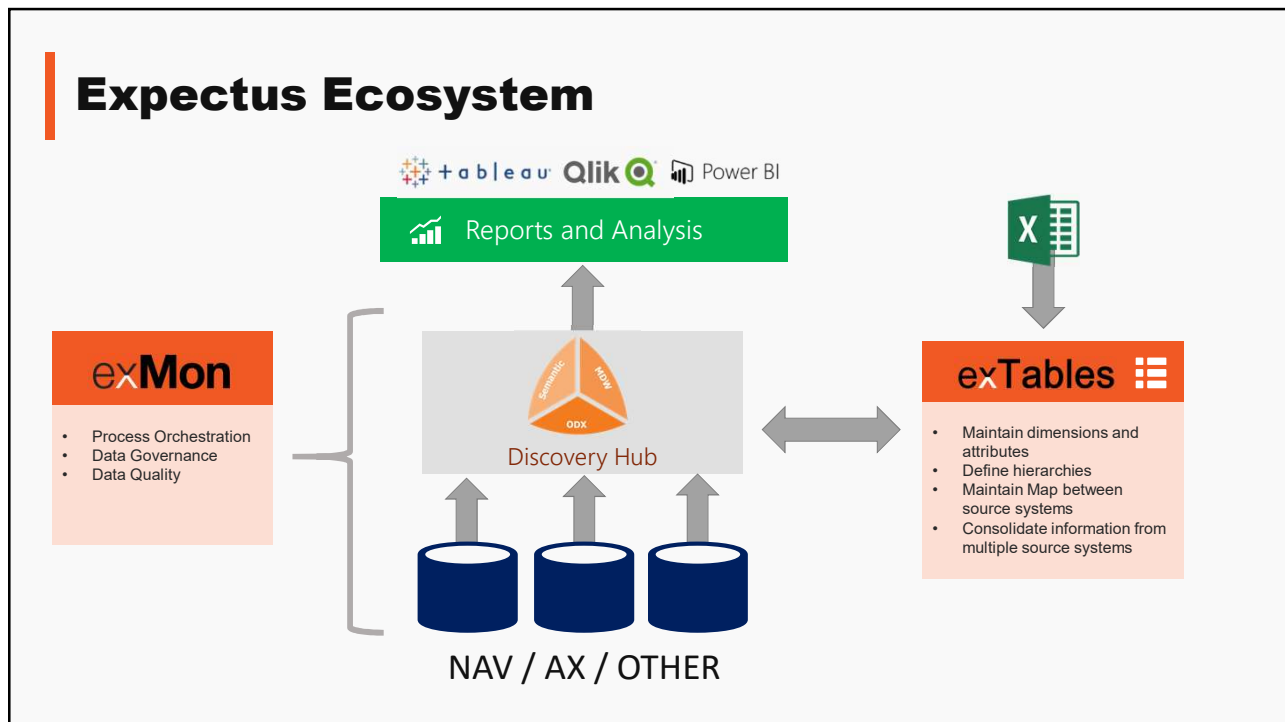

Full audit of all user actions.
Row-level security.

FLEXIBLE

Powerful scripting available through actions.
