

**EXPERTS  
INSIDE**

# Microsoft Technology Experts Going Beyond IT

## WHO ARE WE

Founded in 2011 in Switzerland, Experts Inside AG consists of nearly 30 experts active across Europe. Our team is specialized in the migration, integration, and further development of customer solutions around **Microsoft 365** and **Microsoft Azure**.

We live our passion for hybrid work and collaboration with Microsoft solutions; working anytime, anywhere in the world with our modern approach. We are here to help other companies on their transformation journey to a Modern Workplace in the cloud. And we are here to help your company too.
