Thought Leaders in the Microsoft Ecosystem

exponentia.ai[®]

We actively engage with the Data & AI community to stay at the forefront of innovation, continuously align with industry trends, and share learnings with our clients in real-time.

Thought Leadership & Community Sharing

- ❖ Host monthly technical webinars
- ❖ Publish blogs highlighting industry insights
- ❖ Deliver weekly newsletters to share real-world experiences, best practices, and evolving perspectives

Training & User Empowerment

- ❖ Provide customized training courses on data engineering, data science and business intelligence
- ❖ Conduct Fabric Analyst In A Day Workshops in partnership with Microsoft

Active Participation at Industry Events

- ❖ Regularly attend key conferences such as Microsoft FabCon and NRF to stay ahead of innovation in Data & AI

Ongoing Collaboration

- ❖ Engage with Microsoft thought leaders, product teams, and partners to inform our solutions with the latest trends and roadmap insights.
