

Training Units

Digital Currency for F5 Training

Training Units (TU) are digital currency that can be used to purchase Instructor-Led Training (ILT) and Self-Directed Training (SDT) courses on LearnF5.

TU give customers the flexibility to add training to product or service orders without committing to a specific training course. Utilizing TU gives customers time to choose the courses that best fit their schedule and needs.

KEY FEATURES

Buy now, schedule later

Bundle TU with a product order or purchase separately. 12 month subscription term. Redeem TU for any training within 12 months.

Flexible use

TU can be used for any ILT or SDT course available through [LearnF5](#).

How much does training cost?
