Exclusive Features of Modern Payroll Platform

Single Click Payroll Process

Process the salary at the speed of a flash with a single click and be free from the complexities of manual calculations.

Statutory Compliances

factoHR takes care of all your payroll statutory requirements. All this automated, so you are saved from all the mundane work.

Auto Arrears Calculation

factoHR's automatically generated salary & attendance arrears helps the HR get a hassle-free payroll process. It also manages the mid-month salary revision effortlessly.

Multilingual Payslip

Overcome the language barrier by generating the payslip in multiple languages and flexibility to choose from 19 different formats of payslips.

Bank Integration

Integrate the employees' bank accounts with that of the organization to ensure direct, quick, and secure payment to them.

JV Integration

Integrate factoHR's platform with the organization's ERP system to book the salary & travel related expenses.

"Due to the complex nature of our payroll policies and a large size of 1200 employee, It took us 15-20 days to process the complete payroll. factoHR was flexible enough to accommodate all our needs and help us provide our employees the best experience that they deserve.

Mr. Bipin Hadvani - Director of Gopal Snacks Pvt. Ltd.
