

Safer, faster & better  
record-level data  
for everyone

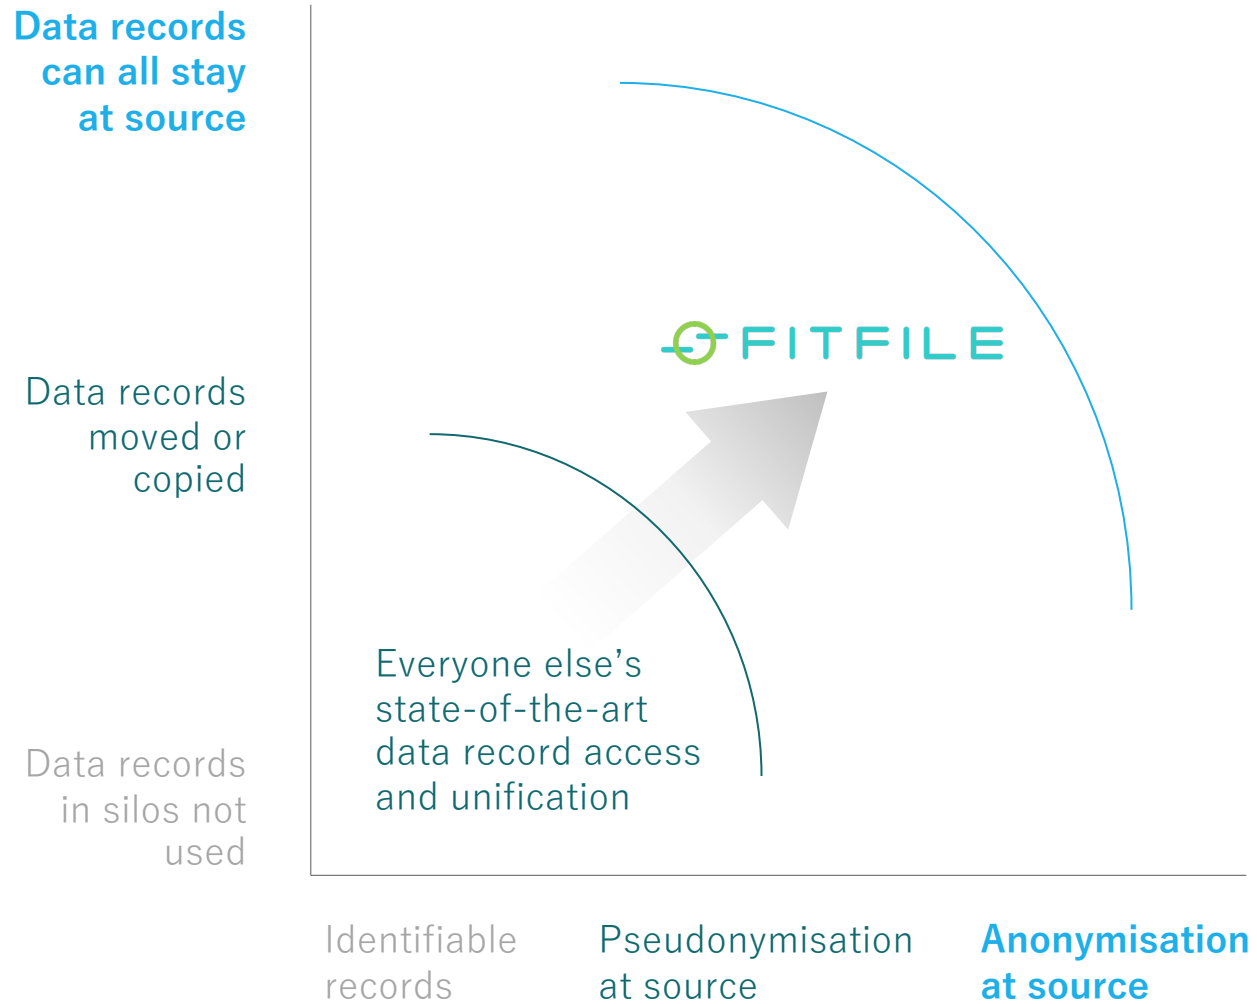

# Purpose-built platform to support data access, privacy and linkage

# Data access & linkage along the whole spectrum of privacy preservation

# Unique anonymisation and computation at source ahead of access & linkage

- ✓ Fullest possible privacy for patients
- ✓ Properly compliant with privacy regulations
- ✓ More data accessible for broadest possible use

Transforming  
the scale & value  
of data usage

FITFILE Group Limited is a private limited company incorporated in England with company number 12492844
