

# Flare Benefits

Free software to help you  
level up your HR operations

- Improve employee retention
- Increase candidate attraction
- Increase onboarding efficiency

# Flare Benefits

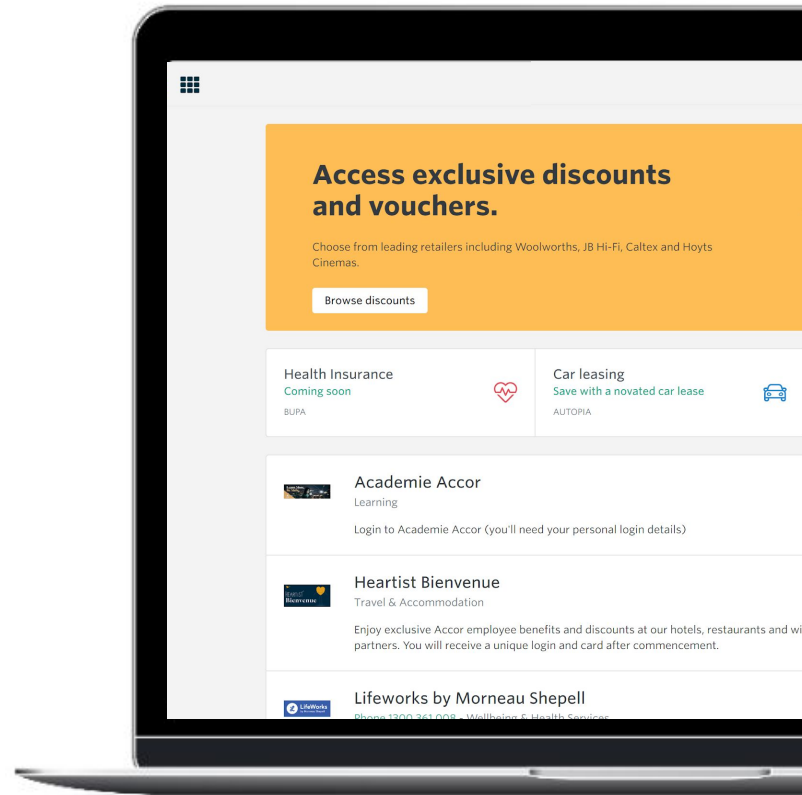

## Amplify your company benefits

Where do your employees go to learn about your company benefits? With Flare, your employees can learn about your company benefits easily and transparently. You can customise and communicate your benefits clearly, all in one place.

## Gain access to exclusive Benefits from Flare

On top of your existing employee benefits package, you get access to Flare's Benefits and Discounts platform when you partner with Flare.

Flare's Benefits & Discounts platform gives your employees access to savings from over 300+ leading Australian retailers, health insurance, employee wellness, and superannuation providers through Flare's benefits partner network.
