

We Are Flat Rock Technology

Azure Consulting
Offer

2-Hour Azure Migration
Assessment

£400
Virtual Only

This briefing provides a high level information on what it takes to migrate to the cloud and Azure in particular.

Agenda:

1. High-level discussion of client's current setting.
2. Cloud migration - options, best practices and benefits.
3. Overview of client's cloud strategy if any.
4. Potential approach solution(s).
5. Security and backup - now vs on-cloud.
