

Viva Connections Employee Experience Engagement

Explore the power of Microsoft Viva Connections, empowering organizations to foster meaningful connections among their teams. Uncover a seamless experience that enables employees to effortlessly discover communications, engage with communities, and access essential tools for enhanced collaboration.

Why Forefront Consulting?

Revolutionize your intranet with our expertise in seamlessly integrating Microsoft Viva Connections and Viva Engage. With years of proven success, we specialize in crafting dynamic digital ecosystems that go beyond traditional communication. We create an interactive environment that fosters collaboration, innovation, and community within your organization. Partner with us to unlock the full potential of Viva Connections and Viva Engage for enhanced productivity and enriched workplace culture.

Get started today with **Microsoft Viva Connections**

- Facilitate meaningful connections through communities, empowering employees to contribute ideas and feedback.
- Transform your intranet into a central hub, seamlessly integrating content and targeted updates through Teams.
- Streamline access to company resources with a customized employee dashboard, ensuring quick and easy availability across devices.

How Forefront can help you in your journey:

Available services depending on your needs and readiness

Transform and ready your intranet for Viva Connections

- Leverage **Viva Engage** to build an intranet solution that marries resources with social interaction
- Setup an information architecture through **Hub sites and Home sites** that helps end users find what they need, when they need it
- **Create dynamic employee experiences** that are accessible across PC and mobile devices.

Enable your content and dashboard in Viva Connections

- Leverage the power of **the Viva Connection Dashboard** to make content available to end users.
- Create **community-driven content** and collaboration using Engage Communities and Microsoft Teams.
- **Connect employees** across roles, including frontline workers, to relevant content and experiences.
- Start with a pilot to test the new solution in a chosen group of business users.

Facilitate collaboration and connections throughout your organization

- **Deploy and scale Viva Connections** to every employee in your organization, on any device.
- **Build an employee dashboard** to streamline visibility into key metrics and employee resources.
- Showcase news and information to the right people with **audience targeting**.
- Explore possibilities with **leadership connection** site deployment
- **Drive adoption** and change management initiatives to realize the value of your investment in Viva Connections
