## INDUSTRIES

## About FPT

FPT Corporation (FPT) is a globally leading technology and IT services provider headquartered in Vietnam. FPT operates in three core sectors: Technology, Telecommunications, and Education. During over three decades of development, FPT has constantly provided practical and effective products to millions of people and tens of thousands of business and non-business organizations worldwide, establishing Vietnam's position on the global tech map.

Keeping up with the latest market trends and emerging technologies, FPT has developed the Made-by-FPT ecosystem of services, products, solutions, and platforms, which enables sustainable growth for organizations and businesses and offers distinctive experiences to customers. In 2024, FPT recorded a total revenue of USD 2.47 billion and 54,000+ employees.
