Viva Connections Culture and Communications

Keep everyone connected

Encourage meaningful connections across the organization by enabling employees to easily discover relevant communications and communities.

Make it easy for people to contribute

Foster a culture of inclusion by empowering every employee to contribute ideas and share feedback.

Unite and inspire your organization

Align the entire organization around your vision, mission, and strategic priorities.

Viva Insights Productivity and wellbeing

Deliver personalized and actionable insights

Empower individuals, teams, and orgs to achieve balance, build better work habits, and improve business outcomes with personalized insights and recommended actions.

Quantify the impact of work on people and business

Gain data-driven, privacy-protected visibility into how work patterns affect wellbeing, productivity, and results.

Address complex business challenges

Use advanced tools and additional data sources to perform deeper analysis, address challenges important to your business, and respond quickly to change.

Viva Topics

Knowledge and expertise

Turn content into usable knowledge

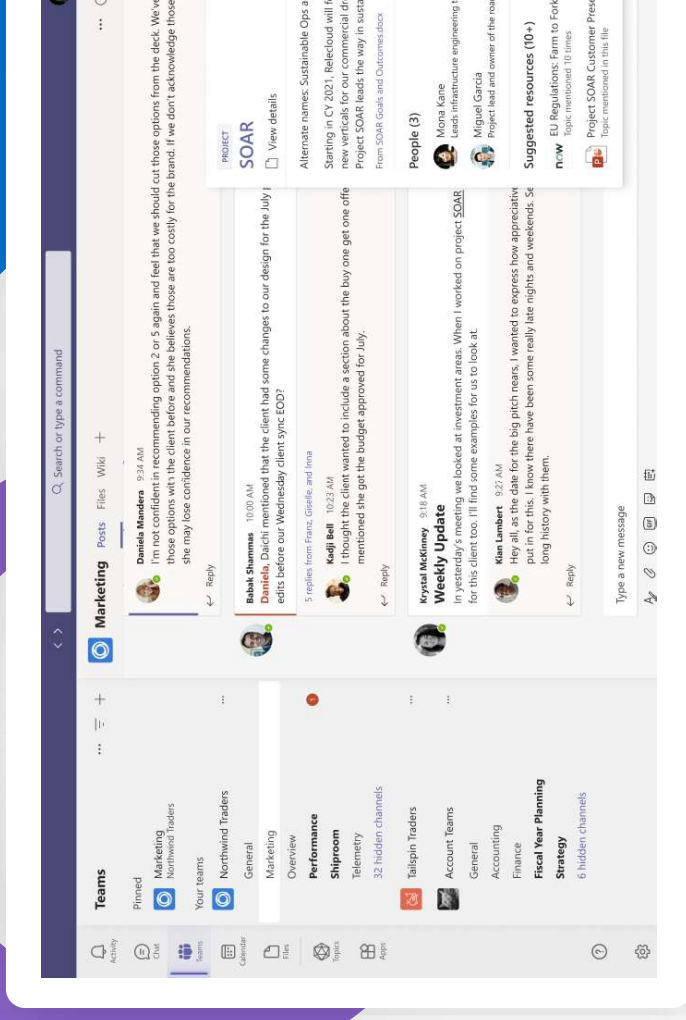

Use AI to reason over your organization's content and automatically identify, process, and organize it into easily accessible knowledge.

Organize knowledge into topic pages

Enable your organization's experts to share and refine knowledge through curated topic pages, automatically generated and updated by AI.

Make knowledge easy to discover and use

Deliver relevant topics cards in the apps people use everyday.

Viva Learning Skilling and growth

Make learning a natural part of your day

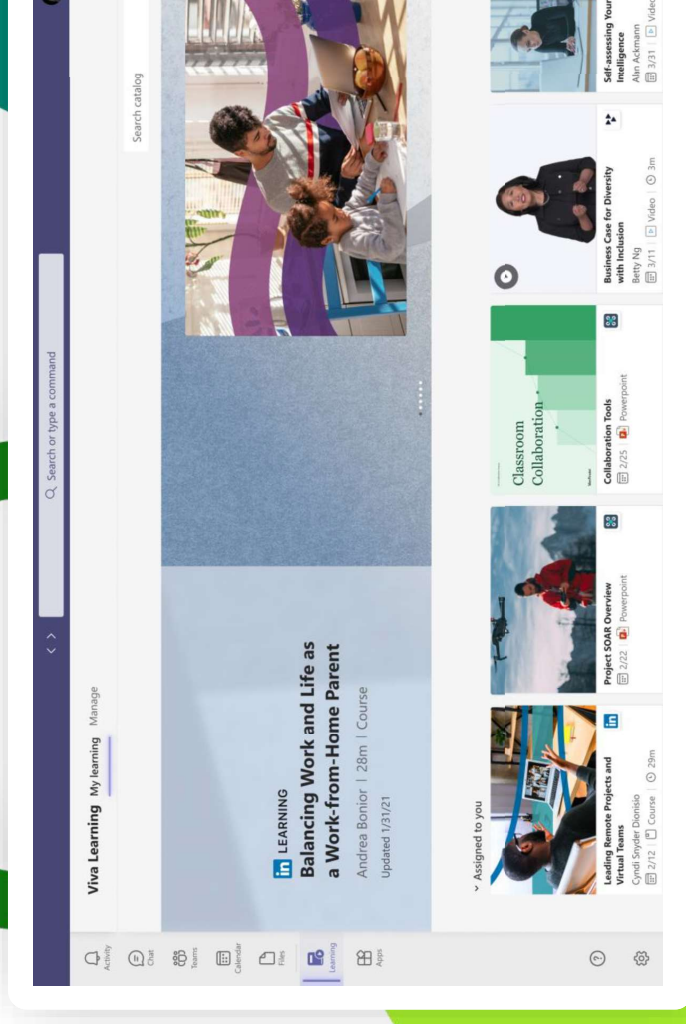

Foster a culture of learning by enabling people to easily discover, share, and engage with learning integrated into Microsoft 365.

Make your learning content available in one place

Simplify the learning experience by bringing together world class content from LinkedIn Learning, 3rd parties, Microsoft Learn, and your own content.

Drive results that matter

Empower your leaders and employees to organize, recommend, and track learning aligned with business outcomes.
