FUJITSU

Microsoft

Microsoft Certified Training

Enabling & Empowering..

Our Microsoft experts, at Fujitsu, specialise in more than technical delivery...

We also offer a range of on-site, virtual or hybrid, training and support options, to help maximise your potential.

✓ **Personalised support, at your pace.**

✓ **Official Microsoft learning pathways.**

✓ **Bespoke training, tailored to your needs.**

✓ **Contextualised to your business challenges.**

"The course landed perfectly with the audience on the day, pitched at exactly the right level and provoked really interesting discussion and debate both during the session and after".

POWER PLATFORM

Master the fundamentals (PL-900)

Build practical development & BI skills
