

Fusion5 Health Check

—
Ensure you are using best practice
across your systems

The Fusion5 Health Check offers an in-depth review of your current Microsoft Dynamics 365 CE or Power Platform solution to ensure you are using best practice across your systems and help you identify under-utilised features, improve security, reduce costs, achieve more efficient usage and optimise your investments.

Each Health Check comes with clear and actionable insights and suggestions on how to improve the health of your Microsoft applications and their usage.

You should consider a Fusion5 Microsoft Dynamics 365 Health Check if:

- ☒ You are concerned you're not using your CRM to its full ability
- ☒ You would like to ensure your team is adopting best practices when using CRM
- ☒ You're worried you're missing an opportunity to gain greater productivity for your users by not leveraging available add-ons

Undertaking a Fusion5 Microsoft Dynamics 365 Health Check will:

- 🎯 Improve your ROI and reduce costs
- 🎯 Provide recommendations on best practice CRM use
- 🎯 Provide you with an output detailing recommended feature adoptions and licensing

Pricing is based on solution complexity as follows:

- ✓✓ Small - \$4,280
- ✓✓ Medium - \$6,420
- ✓✓ Large - \$8,560

Fusion5 provides business solutions and services that support you and your business in making potential reality.

Working with global technology leaders such as Microsoft, Oracle, IBM, and Workday, we partner with our customers to help increase operational efficiency, create people-centric cultures, strengthen customer relationships, and plan better for the future. By modernising and optimising the tools, systems, and processes your company uses, we can help you thrive.

When we work with you, we don't recommend technology for technology's sake. What drives us is delivering outcomes that genuinely improve your

business. Our business experience and insights from multiple industry sectors, advanced understanding of the solutions we offer, together with innovative technology that can be wrapped around them, means we can offer 'fit for you' solutions that deliver tangible results for your business.

We realise adopting new technology is not just a one-off activity — it requires change management, support, and continuous improvement to ensure your digital journey evolves with your business. We're here to partner with you through all aspects of the journey.
