

Take your Internal communications and employee engagement to the next level with Viva Connections

Viva Connection is all about connecting people to relevant information. Viva Connections gets relevant information to your people, where they want to view it and when they want to view it. Viva Connections leverages your investment in a Modern SharePoint Intranet and connects it to information for other people platforms and the makes that information available across Office 365 solutions.

Why Fusion5

Fusion5 has a proven track record in building best in breed communication platforms, leveraging Microsoft Platforms, such as Office 365, The Power Platform and now Microsoft Viva. No matter where you are in your journey, our team is ready to partner with you.

Get started today with Microsoft Viva Connections

- Build meaningful connections via accessible communities and empower employees to contribute ideas/feedback
- Evolve your intranet into a central hub with easily accessible content and targeted updates powered by Microsoft Teams
