

# FUSION5 Higher Education Centre of Excellence

## Successful Digital Transformation in Higher Education

The Fusion5 Higher Education Centre of Excellence leads digital transformation in New Zealand's educational sector. Enabling successful transformation using:

- Microsoft Dynamics 365
- Microsoft 365
- Microsoft Azure
- Student Management Systems

## How can our Higher Education Centre of Excellence help you?

- **Strategic Discovery & Roadmap Planning**  
We work with you to map where you're heading and how Microsoft's Dynamics 365, Microsoft 365 and Azure can support your journey.
- **Architecture and Phasing**  
We help you split projects into investment and adoption phases that suit your institute. This reduces risk, and supports successful adoption.
- **Higher Education Technology Experts**  
Fusion5's team possesses tremendous expertise across New Zealand and Australia's *higher ed* sector, built on successful Microsoft transformations.
- **Governance Management**  
Governance is more complex in higher education. Our governance experience in higher education is key to achieving good outcomes.
- **Organisational Change Management (OCM)**  
Change management is critical given your varied stakeholders: academic, administrative, technical, and political. Our OCM framework drives success.
