Introducing the Application Modernization Assessment

Migrate with confidence. Get ready to move your legacy applications to the cloud with insights on the business impact, anticipated costs, and technology benefits of modernization.

With the Application Modernization Assessment, we take a four-phased approach

Assess & Discover

Gather accurate data from your IT environment

Plan & Decide

Gather accurate data from your IT environment

Migrate

Develop a roadmap for your organization's cloud journey

Optimize

FyrSoft will help you measure your progress

81% of organizations have at least one application or a portion of their computing infrastructure in the cloud^{1s}
