goodbook

Easiest and fastest software to manage payroll online!

goodbook is designed and developed keeping Simplicity at core. Even if you are not from Accounting Profession, payroll management is as easy as it can be. **goodbook** will redefine your payroll experience with automated calculations, Instant Insights & Personalised Branding and its Pocket Friendly.

Why goodbook?

Customised payslip

Include your organisation's logo as part of your payslips. You can also customize fields in salary breakdown

Detailed salary breakdown

Download payslip as PDFs with a detailed breakdown of your employee's earnings, deductions, and reimbursements.

No accounting knowledge required

We've made payslip generation simple. Just upload details, use templates and you are good to go.
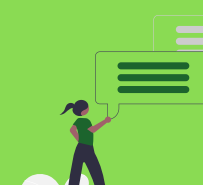

Inside your own subdomain

Get a personalised subdomain of your company. Helps protect your Data and keep it segregated.

Simplified Pricing

No monthly or yearly contracts. No need to share credit card info. Just pay & use. No validity bindings.

Support

Get a personalised subdomain of your company. Helps protect your Data and keep it segregated.

A good to have application for every organisation
