Microsoft Copilot Readiness & Optimization

With Microsoft Copilot placing AI within easy reach, the possibilities for innovation and advancement are boundless. Yet, realizing its full potential demands meticulous planning to avoid readiness uncertainty, hidden bottlenecks and limited user adoption. That's where we can help.

Maximize your M365 investment and ignite productivity with our Copilot readiness and optimization services.

M365 EVALUATION

We'll evaluate your Microsoft 365 environment and licensing to chart a clear course for successful utilization.

DATA ANALYSIS

We'll analyze your content repositories to understand data volume, location, and interconnections.

SECURITY & COMPLIANCE

We'll identify and address security risks while establishing best practices for managing access and permissions.

BUSINESS VALUE & ROI

We'll pinpoint impactful use cases and translate efficiencies into a tangible return-on-investment.

OPTIMIZATION STRATEGY

We'll ensure continuous eligibility for Copilot features, optimizing security and licensing for maximum value.

USER ENABLEMENT

We'll create a plan to drive user adoption and identify areas for improvement or additional training.
