

MOTKO®

Bridging Through Sports

Motko® is a diversified well-being company. Licensed Works with WELL partner, Motko® helps companies, real estate stakeholders and governments create healthier, happier and better performing communities.

Motko® operates a wellness technology division and a real estate consulting division. Our community-based wellness platform for companies elevates employees' engagement, health levels and retention. According to employees, collaborating with team members and building relationships are top-needs for the office. Motko® creates opportunities for people to connect with each other through sports and wellness, strengthening social cohesion and well-being in an organization.

Motko® is committed to promoting and supporting United Nation's Sustainable Development Goals (UN SDGs) for businesses and communities globally.

Ensure healthy lives and promote well-being for all at all ages.

Achieve gender equality and empower all women and girls.

Reduce inequality within and among countries.

“

Whether you're on or off the field, in a meeting or board room, engagement matters.

“

Workplace can be a powerful venue to shape and enhance people's habits.

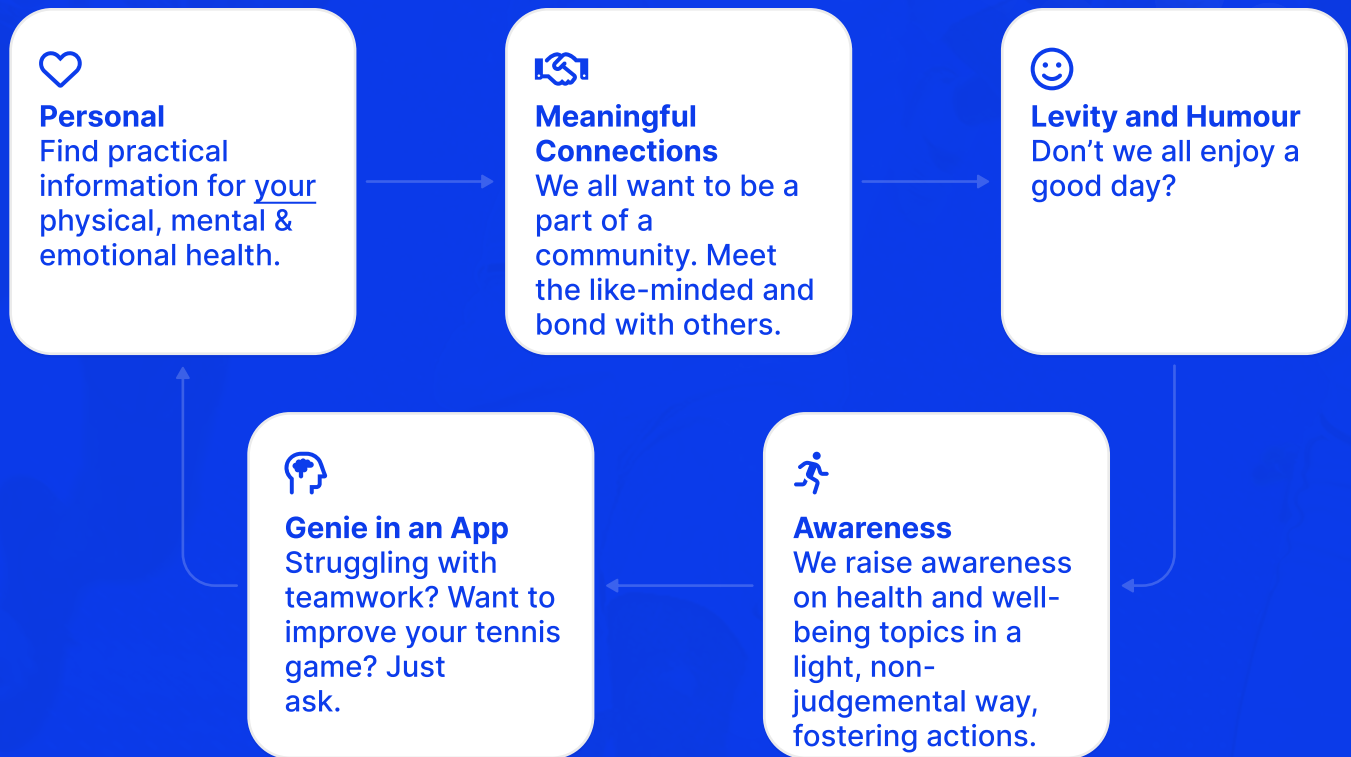

MOTKO®

Sportify Business

From empowering resources to exciting firm-wide events, Motko® helps employees to feel well, be well and perform well.

Why Employees Love Motko®

An inclusive community and physical activity are the best ways how to build health, increase happiness and improve productivity.
