## **In Scope:**

Egyptian and foreign organizations operating in Egypt.

Personal Data for Egyptians and residents.

Personal data in digital format.

POWERING TRANSFORMATION

# INTRODUCTION AND DEFINITIONS

## Personal Data

- Data Processor: Any person or organization (other than an employee of the data controller) who processes the data on behalf of the data controller.

## Sensitive Personal Data

- Data Controller: The data controller determines the purposes for which and the way personal data is processed.
- This means that the data controller exercises overall control over the data and decide 'how' the data can be processed.

## Data Controller

- Sensitive Personal Data: Some personal data is considered sensitive, as it could cause serious harm to the individual if leaked or misused.
- Political or religious beliefs - Physical or mental health - Criminal offences & court proceedings.

## Data Processor

- Personal Data: Personal data is any information that can identify a living person.
- Name and surname - ID card number - Online identifiers (e.g., IP addresses) - CCTV footage.
