

Microsoft Teams

Microsoft Teams your collaboration and communication tool.

Whether you are a small, medium, or large business, with Microsoft Teams you can stay connected with an intelligent meeting solution using video, content sharing, digital whiteboard, notes and chat. Engage in all types of meetings—spontaneous, scheduled, external and large-scale live and on-demand events. Make meetings more effective by having meeting history and relevant content at your fingertips.

Share Office documents from within Teams app and co-author documents with your Team members

You can integrate your existing or new developed applications within Teams platform or utilize the existing applications by extending Teams capabilities to fit your business needs.

Stay connected anywhere you are from home, office & on the move. You can easily switch from one device to another whether you can connect using laptop, Tablet, or smart phone.

Global Computing and Telecoms a Gold Microsoft Partner, can assist your organisation to deploy and drive adoption of Teams to fully realise the benefit to your investment
