

Gomocha Integration

MODERNIZE YOUR ERP WITH GOMOCHA

- Integrate your current systems with Gomocha.
- Guaranteed integration success.
- All core systems supported, always more added.
- Integrated with secure and compliant methods.

WHEN YOU SPEND ON TECHNOLOGY, YOU EXPECT IT TO WORK.

Installing new technology is always risky. What if it doesn't work with your existing systems? What if the vendor makes promises that don't hold up?

So many vendors tell one story about integration, but the reality is different when push comes to shove.

Not with Gomocha.

GOMOCHA WILL WORK WITH YOUR ERP SYSTEM. GUARANTEED.

With Gomocha, you can feel secure, knowing your new Field Service Management system will work with your existing ERP technology. Even when you have multiple systems, you can still standardize your Field Service operation.

No matter what ERP system you have in place, Gomocha will integrate with it. Guaranteed.

STOP WORRYING. START BENEFITING.

With Gomocha, you'll be up and running in no time thanks to integration that works. Gomocha has experience integrating with these ERP systems:

- AFAS
- Baan
- Business Navigator
- Exact Online
- Exact Synergy
- IBM AS400
- Infor
- ISAC
- ISAH
- Magic ERP Mago
- Microsoft Dynamics 365 Business Central
- Microsoft Dynamics 365 Finance & Operations
- Microsoft AX
- Microsoft Navision
- Profit21
- Salesforce
- SAP Business One
- SAP R3

Don't see your ERP system listed? Don't fret. Gomocha will work with whatever you have in place.
