

# GoSkills LMS Pro

## The learning platform that makes training easy

Trusted by more than 8,000 organizations worldwide

### Features

#### Course creation

Build custom training courses with intuitive tools designed for an engaging and effective learning experience.

#### Template gallery

Choose from a range of professionally designed training templates to kickstart your course creation.

#### Gamification

Boost motivation with virtual coins and custom rewards, making learning engaging and fun.

#### Course creation assistant

Harness the power of Genie, our generative AI content assistant, based on over a decade of training expertise. Genie helps you rapidly create detailed course outlines and content, streamlining your curriculum development process.

#### Analytics

Gain valuable insights on both team and individual progress, with comprehensive reports to track and measure learning outcomes.

### Who we are

GoSkills is an award-winning, accredited training platform trusted by more than 8000 organizations worldwide, with over a decade of experience in creating effective training. We provide AI tools, learning solutions, and training courses to some of the world's top businesses, including Fortune 500 companies and SMEs.
