ISO-compliant Document Management solution for Brochem CISA

The screenshot shows the SharePoint home page for the "Document Management System". The top navigation bar includes "SharePoint", a search box, and site navigation links like "Brother Cisa Home Hub", "Administration", "Departments", "DMS", "IMS", and "Services". A left-hand navigation pane lists "Home", "Published Documents", "Working Documents", "External Documents", "Site Admin", and "Recycle bin". The main content area features a large banner with the Brochem logo and the text "Welcome to the Document Management System". Below the banner, there are three columns: "View Docs by Type" with a list of document categories like "Directives" and "Forms / Checklists"; "View Docs by Department" with a list of departments like "Chrome - General" and "Customer Services - General"; and "My Working Documents" with buttons for "My Approvals", "My New Documents", and "My Documents In Review".

The screenshot shows the "Working Documents" list in the SharePoint Document Management System. The top navigation bar is identical to the previous screenshot. The left-hand navigation pane is also identical. The main content area shows a list of documents with columns for "Name", "Begin Approval", "Title", "Document Type", "Reviewer", and "Sub Review". The list is filtered to show "Working Documents" and includes a sub-filter for "Departments : Environmental (6)". The list contains several documents, including "Envrn_Gen_FormsChecklists_61..." and "Envrn_Gen_Procedures_645_ENV-0025.1Saf...".

Name	Begin Approval	Title	Document Type	Reviewer	Sub Review
Envrn_Gen_FormsChecklists_61...	Initiating Approval...	ENV-0045.2 Waste Management Licence Compliance C	Forms / Checklists		
Envrn_Gen_Procedures_645_ENV-0025.1Saf...	Begin Approval	ENV-0025.1 Safe Work Practices at Tailings Dam	Procedures		
Envrn_Gen_ProcessFlow_576_PD-10WasteM...	Begin Approval	PD-10 Waste Management	Process Flow		
Envrn_Gen_ProcessFlow_587_PD-10WasteM...	Begin Approval	PD-10 Waste Management	Process Flow		
Envrn_Gen_ProcessFlow_588_PD-35AirQuali...	Begin Approval	PD-35 Air Quality	Process Flow		
Envrn_Gen_ProcessFlow_589_PD-36WaterM...	Begin Approval	PD-36 Water Management	Process Flow

A full set of services to deliver successful solutions

- Power Platform environment set-up
- Business analysis and design
- Agile customer-driven development
- Integration with other business apps and data
- Training & change management
- Ongoing maintenance and support

A man with glasses and a beard, wearing a grey shirt, is pointing upwards with his right hand while looking at a whiteboard. He has headphones around his neck. In the foreground, the back of a woman's head and shoulder is visible, looking towards the whiteboard. The background is a bright, modern office space with other people working at desks.

Suggested Timeline & Implementation Plan

Week 1: Analysis and Design

- Workshops to gather business requirements
- Detailed analysis and design, selection of Power Platform tools to be used
- Confirm quote and timeline for proposed solution

Weeks 2-4: Development and Testing

- Development of the solution using selected Power Platform tools
- Conduct testing to ensure quality deliverables
- Continuous engagement with stakeholders for feedback and refinement

Week 5-6: Signoff, Deployment and Rollout

- Final testing, including User Acceptance Testing (UAT)
- Deployment of the solution
- Training for end users and administrators

Business solutions made easy

FORMS

- Easy, mobile-friendly forms/apps
- User-friendly capture
- Implement business rules/validation
- Attach supporting documents
- Control access via role-based groups
- Track progress

A decorative background graphic on the right side of the slide. It features a complex network of white nodes connected by thin white lines, set against a warm orange gradient. The nodes are arranged in a somewhat circular pattern, with some lines extending outwards, creating a sense of connectivity and digital structure.
