

In today's world, employees want **more flexible remote work options**, and **meaningful in-person collaboration**. Empowering people to thrive in a more flexible work world requires rethinking everything — from how you empower managers, to how you create culture, to how you reimagine the employee experience. And that's where **Microsoft Viva** comes in. As your employees are challenged with a growing imbalance between work and life, there is an urgent need to **digitally reimagine the employee experience**.

**Viva Connections** help you **elevate the user experience** and brings together relevant news, conversations, and resources **in the apps and devices you use every day**. While **Viva Topics** lets you automatically organize content and expertise across your organization, **gaining time while making information easy to find**.

Discover how **Microsoft Viva** helps **employees put knowledge to work with the help of AI** in the apps they use every day. Learn how an integrated platform built on top of Microsoft Teams, will help your people to **thrive in the new reality**.
