# GUUL / Partner Testimonials

*For a long time, we have been looking for a gaming-interaction platform that would be constantly available and integrated into our internal products for all our employees to use. Thanks to the rapid support of the GUUL team, we integrated the Guul Gamespace solution into our HR application. We believe that the virtual playground we offer to our employees will increase the sense of community and bring our remote teams closer.*

**Beril Atila**

**Internal Communications Deputy Manager**

*As Açık Holding, we're always looking for innovative solutions to enhance team communication and engagement. Integrating GUUL into our Microsoft Teams workspace has allowed us to introduce a dynamic and engaging experience for our employees. The ability to organize Chess and Backgammon tournaments directly within Teams has not only streamlined the process but also fostered a highly interactive and enjoyable environment. GUUL's user-friendly platform has helped us strengthen team connections and make better use of the tools we rely on every day.*
