

Make the most of Copilot for Microsoft 365

Inspire people to get more from your investment in AI

You are one of the first organisations in the world to get access to **Copilot for Microsoft 365**.

How will you utilise your investment, provide new skills to succeed and drive a positive employee experience?

Decide which people will drive **maximum ROI** from Copilot licenses

Communicate the **benefits** of AI and Microsoft 365 in an engaging way

Ensure staff are trained and can **adopt** Copilot in the context of their role

Hable will...

- Assess the **digital skills** of your staff to help you map the right licenses to the right people or personas
- Create a bespoke **Comms Campaign** to promote the benefits of AI and launch your programme
- Deliver a **Learning Programme** to upskill 300 people on how to use Microsoft Copilot at work

Accelerating change.
Transforming culture.
Boosting efficiency.

Start your AI Pathfinder Programme today
