Migration acceleration

Get tailored recommendations based on best practices for migrating your data and applications to the HERE Platform or upgrading your solutions to the next release of HERE products and services.

Dedicated program manager

Strengthen your team with dedicated program management support. A Professional Services program manager will work with you full-time, helping you build solutions that drive the business outcomes you need.

Onboarding

HERE expert onboarding services are designed to get your team up and running quickly using our location solutions. From initial setup and configuration to training and best-practice guidance, we provide hands-on support to ensure a smooth and efficient transition for your business and technical teams.

What our customers achieve with Acceleration Services

“With HERE, we have a partner on board who’s able to provide mapping and navigation services across our global footprint.”

✓ 800K hours saved across 200,000 job sites

Global leader in sustainable building

“Having a HERE consultant on-site was absolutely key in getting the work done as efficiently as possible. Even a remote time-difference alone would have really slowed the cadence and on-time delivery.”

Smart fleet management and mobility solutions provider

Expert guidance at every step

About HERE

HERE is the global leader in mapping and location technology. For 40 years, we've been powering innovation for the world's most recognizable companies: from launching our first digital map in 1985, to shaping the future of software-defined vehicles today. With the industry's freshest and richest unified map and a portfolio of products, services and solutions that serve the needs of multiple industries, HERE reveals opportunities that drive progress and unlock new possibilities for every moving vehicle.
