Move your VMware workloads to Azure

Flyer

Worried About VMware Price Shocks?

VMware license costs are set to soar by 3X to 10X this year. It might just be time to move to the cloud. So, we ask you to consider:

Why just migrate to the cloud? Why not modernize your applications too?

And the best part? You can do it at minimal cost. Embrace your enterprise's future with comprehensive cloud migration and application modernization, funded by Azure.

Why Hexaware?

With Azure, Hexaware simplifies your move to the cloud and helps you increase the benefits of cloud-native services, save on costs, and accelerate your transformation.

We help you assess, choose the right transformation for your applications, and take the fastest, most cost-effective, lowest-risk journey to the cloud—all in just 2 steps.

Our expertise ensures a seamless transition and continuous optimization of your cloud environment.

"Experience applications powered by Azure"

Transform Your Applications in 2 Easy Steps

Step 1

Comprehensive VMware Assessment

Consult with our experts to understand the technical aspects of your cloud requirements, expenses, and the best way forward.

- Assess your VMware stack (on-premises/ on AZURE)
- Evaluate Total Cost of Ownership (TCO)
- Create a tailored migration plan

Step 2

Migration and Modernization with AZURE

Let our team take care of the heavy lifting. We make sure you get the best value from your AZURE migration and modernization journey.

- Leverage MS Funding
- Migrate to MS Cloud-Native Services
- Modernize for Cloud-Native Optimization

Benefits in Your Cloud Journey with Hexaware

5X Acceleration
Speed up cloud migration and modernization by up to 80% with proven accelerators.

Risk Mitigation Services
Mitigate risks with a fully managed, outcome-based project for your transition to Azure.

Cost Clarity
Understand your current total cost of ownership (TCO) and plan for future cloud costs.

Zero Downtime Roadmaps
Ensure your shift doesn't affect your daily operations with Hexaware's tools and automation.

Cost Efficiency
Get lower total cost of ownership (TCO)

Cloud-native Advancements
Unlock new digital capabilities and operational efficiencies with Azure.

Why is Hexaware Your AZURE Partner of Choice?

- Azure Expert MSP
- 10000+ Microsoft Certifications in-house
- 5 Solution Partner Designations
- 2 Advanced Specializations
- Can leverage ECIF and other fundings from Microsoft

Services | Price/Application | Velocity
Estimate your costs and timelines with this Azure pricing table:

- Re-Host | $500 | 400 Servers/Month
- Re-Platform | $10,000 | 2-3 Weeks/Application
- Re-Architect | $30,000 | 4-6 Weeks/Application

Experience the Amaze® difference
Drive your migration and modernization with our US Patented and Azure Accredited Accelerator with a track record of 600+ applications modernized to date.
