Home Page

The homepage of the HR365 Learning Management System offers a comprehensive suite of features including Assessments, Available Courses, Enrolled Courses, Favorites, and Completed Courses. These tools provide users with easy access to their learning journey, allowing them to track their progress, explore new learning opportunities, manage their favorites, and review completed courses.

Assessments

In the Assessments tab, you'll find two sub-tabs: Assigned and Completed. The Assigned tab displays tasks that have been given to you, while the Completed tab shows the tasks you've already finished.

The screenshot displays the HR365 Learning Management System interface. At the top, there is a blue header bar with the 'SharePoint' logo on the left, a search bar in the center, and several icons on the right. Below the header, the user profile of 'Dileep Shetty' is visible on the left, and 'Nestor Wilke' is on the right. The main navigation area on the left includes a sidebar with icons for Home, Search, and Settings. The 'Assessments' tab is highlighted in the top navigation bar, and the 'Assigned' sub-tab is selected. The main content area shows 'Upcoming Assessments' with a card for 'Software Specialist' (3 Questions, Beginner level, Status: Not Started) and a 'Start' button. Below this, 'Attempted Assessments' are listed, including 'Software Developing' (Status: Completed).
