Modern Workplace Readiness Assessment

HSO | 2021

Why take a Readiness Assessment?

In answering these questions about your business, HSO will help ensure you are secure, compliant, efficient and productive.

1 How can we increase employee productivity and collaboration; are we efficient?

2 How can we improve internal communication and social interaction?

3 How can we increase employee well-being and development?

4 Do we have sufficient Governance in place and set-up correctly?

5 Is our data secure and is our workforce protected against cybercrime?

6 How can I better support the core business with workplace innovation?

Hso | the results company

Key facts and figures

4 hours
per week saved on productivity, collaboration and meetings.

Up to 50%
Reduction of travel costs and sick leave

99.99%
Guaranteed uptime

4M
Saved on less security events and breaches

Workplace Innovation Benefits

1 **Increase Productivity**
by 3 or more hours a week by streamlining communication and collaboration, any time, any place and on any device?

2 **Work Safely and Securely**
Ensure a healthy work-life balance and be protected against cybercrime. Reduce the cost of sick leave, travelling, security events and data breaches.

3 **An Improved Employee Experience**
Empowered and connected, employee self-service, no unnecessary infrastructure and more uptime per year.

Forrester 2020, The Total Economic Impact™ Of The Microsoft 365 E5 Solutions
