Education from Anywhere

360°

“A 360° ERP Designed for New Age Education”

iAmaze
Consult. Connect. Create

Covid19 Pandemic

Education across the globe are forced to the new reality of Education from Home or Anywhere

Spread of Virus

- **Lockdown**
Sudden implementation of Lockdown brought the business to a standstill position
- **Uncertainty & Return of Virus**
Spread of Coronavirus has no clarity about the Unlock

Student Migration

- **Student Migration**
Migration of Student has resulted Shutdown of Schools
- **Transportation**
Ban on Travel & Transportation locked the Student movement

Technology Incompetency

- **Legacy Technology**
Investments made in legacy technologies which are fixed in nature require changes in quick time
- **Innovative Cloud Technologies**
95% of Schools (Large & Small) were not prepared for this shift

Education Continuity

- **Education Continuity Plan**
Schools are not ready for Such Situation with alternative Education Method
- **New Education Culture**
Education losses & Student Future, demanded a shift in Education System

Technology Challenges

● Solution Availability

Availability of Education from Anywhere technologies is limited

● Dependency

Dependency on End User Software Installations

● End user know how on Technology

Technologies which support Remote Education is dependent on End User Know How

● Usage as per hierarchy

Software & User Licenses as per Hierarchy assuming usage

● Secure Connectivity

Secure Connectivity between remote Student & Teacher through Applications

● Application Separation

Separation of Educational & Non Educational Applications

● Education from Appliances

Education using Small Screen Form Factor like Mobiles, Tablets, Laptops

● Identity Management

Identity & Access Management (For Actual Student & Teachers)

● Physical to Virtual Appliances at Own Pace

Securing Internet Browser Based Applications

● Best in Class Services offered at one place

Data Security & Digitized Documents

● Securing

Securing Internet Browser Based Applications, Communications & Transactions over the Internet

Need of the Hour

Keeping Student, Teacher & operation staff morale high is a challenge for any Educational Institution, and high stress environments can cause mental and physical burnouts in the most dedicated student. You'd love to give them extra holidays but that's a luxury you can't afford. So how do you keep everyone happy without losing out on Education?

Reasons Why Education Institution Needs a 'Education From Anywhere'

- Inspiration
- Education
- Gratitude
- Reinvigorated Relationships
- Refined Processes

Communication Tools- Voice & Data

Collaboration Enablers like Home Work, Assignments, Video Interactions, Admission & Fee Management

End to End Software Application to Manage Course Enrôlement to Certification

Secure Data & Educational Material of School & Students

Need of the Hour

In the past, Education from Home had a different reputation. Many Parents believed their Children would be too easily distracted at home, where their Teachers couldn't keep an eye on their Students & Studies.

Remote Education also presents unique opportunities in the face of crisis, such as a natural disaster or an epidemic like COVID-19. However, teleconferencing and telework technology have advanced to the point where Educational Institution thrive with completely Online Education

Secure Connections Over Internet for Fee & Salary Management

Develop, Deploy and Delegate Online Course Enrollment, Selection & Admission

Inventory, Hostel & Library Management

Attendance & Student Transport Management

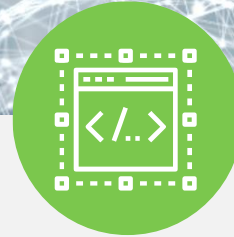

Our Solution

We help Education Institute to Adopt & Implement Technology for a Better Growth Trajectory

Education & Collaboration

Online Admission, learning Management System, Financial Management, Hostel, Library & Transport Management, Certification, Career Guidance

Technology Adoption

Technology Adoption, Smart Analytics, AI & ML, Mobility & IOT,, Cloud Native Technologies & Solutions, Website Dev, Mobile App Dev

Information Security

End-User Security, Web Security, Email Security, Zero Trust, Secure internet Gateway, Multifactor Authentication, Password Protection, Vault, Secure Storage

Technology Consultation

iAmaze All in One Solution for Education

Course Enquiry,
Enrollment, Fee
