YOUR FUTURE READY AI ASSESSMENT

DECISION INC.

FUTURE READY AI ASSESSMENT

A 1.5 hour AI maturity workshop delivered by Decision Inc's AI Strategy Experts

OVERVIEW

This complimentary 1.5-hour workshop is designed to help your organisation assess its current AI maturity, align AI initiatives to business goals, and explore how Microsoft AI Solutions can accelerate productivity and innovation. Delivered by Decision Inc.'s AI Strategy experts, this session is ideal for organisations looking to move from experimentation to scalable AI adoption.
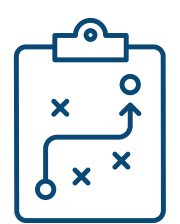

WORKSHOP DELIVERABLES & OUTCOMES

AI ADOPTION ASSESSMENT

- Evaluate current AI usage across business functions
- Identify gaps in strategy, skills, governance, and technology
- Benchmark AI maturity using Decision Inc.'s proven framework

COPILOT OPPORTUNITY MAPPING

- Explore Microsoft AI solutions capabilities across M365, Dynamics 365, and Power Platform
- Identify high-impact use cases tailored to your business context
- Prioritise initiatives based on business value and feasibility

AI STRATEGY ALIGNMENT

- Align AI initiatives with strategic business objectives
- Define success metrics and governance principles
- Recommend next steps for scalable AI implementation

STAKEHOLDER ENABLEMENT

- Build foundational AI literacy across key business and IT stakeholders
- Discuss change management and adoption strategies

WHO SHOULD ATTEND?

To ensure meaningful outcomes, we recommend participation from:

- **Chief Operating Officer / Business Unit Heads** – to align AI with business strategy
- **Chief Information Officer / IT Managers** – to assess technical readiness
- **Head of Data / Analytics** – to evaluate data infrastructure and AI capabilities
- **HR / Change Management Leads** – to support AI adoption and enablement
- **Security / Compliance Officers** – to address governance and risk

NEXT STEPS *(BILLABLE OPTIONS)*

Following the workshop, Decision Inc. can support your AI journey through:

- **AI Strategy Playbook Development –** tailored roadmap and governance model
- **Microsoft AI Solutions Implementation Services –** deployment, configuration, and training
- **AI Launch Hub Engagement –** fast-track your first high-impact use case
- **AI Literacy Enablement Programs –** workshops and training for broader teams
- **Data & Analytics Platform Modernisation –** prepare your environment for GenAI
