

# LAUNCH HUB

## Launching your analytics into the cloud, at pace!

The **Analytics Launch Hub** is an accelerated program to rapidly scale analytics into the cloud leveraging Microsoft technology.

### THE CHALLENGE

**Many companies are just not winning, when it comes to their journey to the cloud**

Many of these transformation efforts have failed to deliver fast enough results and drive real value.

### BENEFITS

**What you can expect from Launch Hub:**

- Maximise value through fast speed to insights in the cloud
- Accelerate outcomes through Decision Inc.'s Analytics Accelerators
- Simply go faster by leveraging our tried and tested methodology
- Build the future in a modern cloud architecture

### THE SOLUTION

## Azure Analytics Launch Hub Timeline

**Analytics Vision Workshop**  
to define a high value analytics need

**Landscape Audit**  
to assess the current state

**Design and Configuration**  
to build the data pipelines into the cloud

**Launch into Azure**

**PowerBI reporting & Data Literacy**  
to maximise return on analytics

**4 WEEKS**

## Prepare for launch

If you're ready to launch your organisation forward, **let's talk.**
