## POWER BI PAGINATED REPORTS: ONE-DAY WORKSHOP

Gain the technical knowledge required to create, publish, and distribute Power BI paginated reports with the Power BI Paginated Reports in a Day workshop. This training can be conducted virtually or in a classroom. If done virtually, there is also the option to access self-paced online training.

## WHAT YOU WILL REVIEW

- Designing report layouts
- Connecting to data sources to retrieve report data
- Working with parameters
- Visualizing report data
- Adding interactive features
- Publishing, consuming, delivering, and embedding paginated reports

## DELIVERABLES

Upon completion of the training, Impact will provide a certification to all attendees, along with files, reports, and dashboards generated throughout the sessions.

## ABOUT IMPACT NETWORKING
