Infinite reasons to accelerate your Azure cloud journey

Microsoft Solutions Partner — Digital & App Innovation Azure

Microsoft Solutions Partner — Data & AI Azure

Microsoft Solutions Partner — Infrastructure Azure

Defending your Cloud

Infinite Computer Solutions Overview

Digital transformation has created myriads of opportunities for organizations of all sizes. It helps drive efficiencies and improve operations, and more importantly enables business to meet rapidly evolving client expectations and market demands. Success depends on the thoughtful integration of digital technologies into all aspects of a business' operations. That's where Infinite comes in.

Infinite is a global leader in digital engineering and IT services, with over two decades of experience helping clients turn digital transformation into business value. We partner with customers to optimize, modernize and scale their technology landscape – combining leading technologies, innovative platforms and accelerators with practical know-how. With an industry-first mindset and laser-focus on business outcomes, we are shaping the future.

Microsoft Partnership

Our cloud solutions are enhanced by our robust partnership with Microsoft, leveraging their extensive suite of native tools along with our proprietary technologies and processes. Microsoft solutions empower businesses to leverage the cloud to improve efficiency, agility, and innovation. Infinite and Microsoft help you solve your most important business challenges.

Deep Industry Expertise

- Healthcare
- Technology
- Manufacturing
- Banking, Financial Services & Insurance
- Media & Entertainment
- Telecom

Inner ring: Intellectual Property Assets & Resources, Accelerators, Innovation Labs, Integrations & Connectors, Frameworks & Migration Tools, Centers of Excellence, Platforms

Center: Innovation

Differentiated Client Value

- **Delivery at scale,** with more than 18,000 employees
- **Proven track record,** with more than 400 enterprise clients
- **Global support** with 22 offices worldwide
- Requirements adherence of **>99%**
- **Demonstrated quality excellence** with CMMI V2.0 Maturity Level 5 for Development and Services
- **Recognized industry leader** with more than 20 analyst awards from ISG, Avansant, Everest Group, and others

Integrated Security from Code to Cloud

Infinite's Azure Managed Services provides comprehensive management support for both planned and deployed resources in Microsoft Azure. Our Azure Operations Team excels in optimizing and automating resource usage in the cloud, while our skilled Azure Operations Experts implement best practices for resource management.

Business Challenges

✦ Staying abreast of latest technology advancements

✦ Understanding industry best-practices

✦ Increasing cost of qualified staff

✦ Governance and maintenance

✦ System downtime planning

✦ Application compatibility

Transformative Benefits for your Azure Journey

Future-Proof Technology	Cost Savings	Scalable & Robust Infrastructure	Custom & Integrated Service	Disaster Recovery	24/7 Monitoring
Transitioning to the cloud ensures access to cutting-edge technology, minimizing the need for ongoing staff training.	Cloud services offer cost flexibility, allowing tailored plans to match fluctuating needs, optimizing IT support expenses.	Guarantees superior **reliability** with service-level agreements (SLAs) reaching up to five nines (**99.999**%), ensuring minimal downtime and adaptable scalability for growing business demands.	Cloud's flexibility allows pay-per-service or custom plans, optimizing funds for business growth with bundled cost-saving solutions.	Cloud's robust disaster recovery ensures business continuity with redundant, resilient infrastructure across multiple regions, minimizing downtime.	Cloud services offer rapid response with enterprise-level monitoring and remote troubleshooting, backed by skilled professionals and 24/7 support.

The Infinite Difference

Certified Microsoft Partner

As a certified Microsoft Partner we have extensive experience with Azure, and this partnership brings a strong collaboration with Microsoft.

Cloud Experience

Cloud MSP team has been managing and implementing cloud infrastructure for over 15+ years.

Architecture

Infinite has automated the deployment of Cloud Reference Architecture using cloud-native tools like Azure DevOps pipelines.

Cloud FinOps Practice

Expert team manages consumption, optimization, and Azure resource cost modeling for efficient implementation and operation.
