

## SAP to Azure Migration: 2-WEEK POC

Price: 6 500\$

Duration: 10 working days

Infopulse, as an official Microsoft CSP Tier-1 and SAP Partner and solutions provider will help you develop a Proof of Concept to validate the feasibility of your ideas and identify specific value to your operations from migrating your on-premise SAP solution to the Microsoft Azure platform.

A PoC of SAP solutions deployment in the cloud managed by our experienced experts can show you the significant business opportunities in enhanced agility, automated administration, lower costs, less complexity, and higher availability.

We choose an appropriate SAP on Azure scenario for your business providing a roadmap for migrating your on-premise SAP solution to the Microsoft Azure platform.

### AGENDA

#### Day 1/2 — Architecture overview & requirements gathering

- Business and IT overview
- Cloud migration objectives
- Current infrastructure overview
- Backups and disaster recovery strategy
- The scope of Azure migration

#### Day 3/4 — SAP to Azure migration analysis

- Analytical assessment of your current infrastructure readiness for Azure
- SAP software and data upgrade requirements analysis
- Estimation of additional assumptions
- Review of Azure migration options to choose an appropriate, scalable and cost-efficient migration model

#### Day 5/6 — Migration plan, roadmap preparation & presentation

- Migration recommendations and next steps
- SAP to Azure migration roadmap

#### Day 7/8 — PoC Scenario preparation

- Setup of an appropriate SAP on Azure scenario
- SAP HANA on Azure PoC implementation
- Showing insights via Microsoft Azure Platform

#### Day 9/10 — PoC Review

- Azure subscription and infrastructure setup
- Final walkthrough, training, Proof of Concept migration closure, and planning of next steps

### DELIVERABLES:

- Selection of the most relevant SAP on Azure scenario to your business
- A migration roadmap to Microsoft Azure platform for your on-premise SAP solution
- SAP on Azure PoC development
- Insights on SAP on Azure
- 5-hour training to learn the benefits of migrating to Microsoft Azure platform
