

# Infosys FinOps Assessment (Zero Cost Assessment)

## Objective

Through a rapid assessment, our goal is to assist customers in comprehending the benefits of Cloud Financial Operations (FinOps) practices and offer actionable insights for both immediate and long-term cost savings.

## Scope and Duration

All public Cloud spend is under scope. We will analyze the Cloud spend for the last 6 months and provide valuable insights and recommendations within two weeks of getting the billing data.

## Deliverables

- Cost Analysis Report / Cost Trend / Potential Savings Summary
- Optimization Recommendations and Prioritization
- Implementation Estimates / Timeline

## Pre-Requisite / Input (Mandatory)

Access to minimum 6 months Cloud spend/billing data through downloadable data files (.csv) or direct access to Cloud billing portal.
